Early Access Deals Phonics Practice Review:

The Routledge International Handbook of Froebel and Early Childhood Practice Tina Bruce, Peter Elfer, Sacha Powell, Louie Werth, 2018-08-06 A major influence on the education of young children since the late nineteenth century the philosophical and practical tenets of Froebelian early childhood education require urgent re articulation in light of current debate and developments in research and policy This seminal Handbook responds to this need drawing together a unique and valuable body of literature research and case studies to make explicit the specific features of Froebelian education and provide key impulses for future research and practice in this area Chapters present the sometimes divergent perspectives of leading educationalists and so offer a uniquely comprehensive overview of Froebelian approaches and their interaction with contemporary policies and insights The Handbook explores five significant areas of scholarship and practice Part I examines the original Froebelian principles and practices in early childhood education in different parts of the world Part II presents case studies development projects and practitioner publications exploring Froebelian approaches to early childhood education Part III details research studies which document debate and evaluate Froebelian approaches Part IV considers how Froebelian approaches might be sustained and adapted for use in various cultural contexts across the world Part V offers a re articulation of research and policy An essential resource for in service and future practitioners researchers and policy makers involved in early childhood education this key text will promote discussion aid analysis and further the practical application of Froebelian principles

Debates in Primary Education Virginia Bower, 2020-10-19 This powerful text encourages both pre service and established teachers as well as teacher educators to engage with contemporary debates in primary education Promoting a critical approach the chapters explore a wide range of key themes including the importance of values in primary education and the imperative for a curriculum which embraces the whole range of available subjects At the same time the chapters are underpinned by a belief that children should be at the heart of all the decisions we make and that primary education should inspire a love of learning for life The book aims to support practitioners to make informed judgements and feel confident to argue their point of view with deeper theoretical knowledge and understanding thus increasing teacher agency and confidence in responding to complex educational and social dilemmas such as literacy levels and rising mental health concerns Chapters encompass both the macro aspects of primary education and more specialised debates on key topics such as reading mathematics languages early years education and the use of technology With annotated further reading and reflective questions this key text is essential reading for all those wanting to develop a better understanding of the issues that shape their practice including student teachers at both undergraduate and postgraduate level practising teachers engaged in continuing professional development and teacher educators

What works in early grade literacy instruction Jennae Bulat, Margaret Dubeck, Paula Green, Karon Harden, Catherine Henny, Mónica Mattos, Alison Pflipsen, Ana Robledo, Yasmin Sitabkhan, 2017-02-28 Over the past decade RTI International has pursued the goal of quality inclusive

differentiated early grade literacy instruction in nearly 30 early grade reading or early grade literacy programs in low and middle income LMI countries Across our diverse portfolio we have supported Ministries of Education Ministries in diverse contexts in their development and implementation of research based early grade literacy programs and have learned important lessons based on our experience working with Ministries to design develop and implement early grade literacy programs This paper describes the core elements that we have found to improve early grade literacy instruction and learner outcomes the approach to teaching Teach the availability of quality relevant learner materials Text the effective use of instructional time Time the use of formative assessment to guide instruction Test and provision of instruction in the most effective language Tongue This paper focuses on the acquisition of literacy in alphabetic and alphasyllabic languages in the early primary years most typically academic levels 1 through 3 and the kinds of exposures instruction and support learners need to become fully literate These are the elements of a literacy program that can be taught that should be present in teaching and learning materials and in teacher trainings and that relate specifically to what happens in a classroom Many more factors contribute to literacy acquisition However we focus on the core elements in this paper to delve deeper and facilitate a richer discussion about these components No one size fits all approach to the development and implementation of literacy programs exists the local context and constraints of any implementation can require adaptation and adjustments In many cases the fully diversified approach to early grade literacy instruction described in the classroom scenario has not yet been achieved However we hope that this compilation of lessons learned and best practices achieved through our experiences will help to further the efforts of all to provide high quality effective literacy instruction to all learners particularly those in LMI countries Software and CD-ROM Reviews on File ,2002 **Seeing is Believing** ,2002

Fantastic Voyage ,2002 *Literacy Specialist, Fourth Edition* Rita M. Bean, Virginia J. Goatley, 2020-11-16 The definitive practitioner resource and text for developing excellence as a PreK 12 literacy reading specialist is now updated to reflect key changes in the field Delving into the literacy specialist s multiple leadership roles the book provides strategies for teaching children experiencing difficulty with reading and writing supporting teachers through coaching and professional learning opportunities designing curricula conducting assessments at the student classroom and school levels and building strong school family and community partnerships Pedagogical features include vignettes from exemplary practitioners questions for discussion and reflection follow up activities and ideas for instructors and workshop leaders Reproducible forms and worksheets can be downloaded and printed in a convenient 8 x 11 size Previous edition title *The Reading Specialist* Third Edition New to This Edition Broader view of literacy now encompasses reading writing oral language and digital and visual literacies Grounded in the International Literacy Association s updated Standards 2017 New or expanded discussions of multi tiered systems of support culturally responsive practice uses of technology in instruction and professional learning successful practices in middle and high school settings and coaching Extended case example that follows one literacy specialist through
