Fantasyland Kurt Andersen, 2018-09-17 Das postfaktische Zeitalter ist kein unerkl rliches und verr cktes neues Ph nomen Im Gegenteil Was wir jetzt sehen ist nur die Spitze des Eisberges schreibt Kurt Andersen in seinem aufsehererregenden Buch *Fantasyland* Der Hang zum Magischen und Fantastischen so der preisgekr nte Kulturjournalist ist tief in die kollektive DNA der Amerikaner eingeschrieben Er entstand als europ ische Siedler erstmals den Boden der Neuen Welt betraten im Gep ck vor allem eins ausgepr gten Individualismus und Lebenstr ume und Fantasien von epischem Ausma Mitrei end und eloquent erz hlt Andersen vom gro en amerikanischen Experiment und warum es so spektakul r scheiterte Wer verstehen will wie die Grenze zwischen Realit t und Illusion derart verrutschen und ein Mann wie Donald Trump es ins Wei e Haus schaffen konnte muss dieses Buch lesen **Daily Life in 1990s America** Richard A. Schwartz, 2024-09-05 With the end of the Cold War the invention of the World Wide Web the widespread availability to cellphones and personal computers and remarkable advances in space exploration the 1990s introduced a new era in human history During that decade the United States experienced changes that previous generations never imagined the abrupt collapse of worldwide communism the ability of ordinary Americans to connect with individuals and organizations throughout the world via the internet and the initiation and near completion of the Human Genome Project that led to unprecedented advances in human health These and other developments changed Americans lives forever This volume in the *Daily Life through History* series examines how the cultural trends of the 1990s revolutionized the way people were able to teach and learn conduct business express themselves and interact with one another The book goes on to explore the evolution in long held attitudes about the proper roles for

women in society sex sexuality and the concept of family to include other kinds of relationships childless marriages single parent and mixed families and LGBTQ relationships New trends in fashion and music from grunge to hip hop culture also had a powerful impact on how some Americans presented themselves while others rejected these cultural shifts and clung fervently and sometimes violently to traditional values and worldviews Daily Life in 1990s America enables readers to better understand the significance complexities and enduring influence of this era defining period in American history

Newsgames Ian Bogost, Simon Ferrari, Bobby Schweizer, 2012-09-21 How videogames offer a new way to do journalism Journalism has embraced digital media in its struggle to survive But most online journalism just translates existing practices to the Web stories are written and edited as they are for print video and audio features are produced as they would be for television and radio The authors of Newsgames propose a new way of doing good journalism videogames Videogames are native to computers rather than a digitized form of prior media Games simulate how things work by constructing interactive models journalism as game involves more than just revisiting old forms of news production Wired magazine s game Cutthroat Capitalism for example explains the economics of Somali piracy by putting the player in command of a pirate ship offering choices for hostage negotiation strategies Videogames do not offer a panacea for the ills of contemporary news organizations But if the industry embraces them as a viable method of doing journalism not just an occasional treat for online readers newsgames can make a valuable contribution *Football and Manliness* Thomas P. Oates, 2017-03-30 Women African Americans and gays have recently upended US culture with demands for inclusion and respect while economic changes have transformed work and daily life for millions of Americans The national obsession with the National Football League provides a window on this dynamic period of change reshaping ideas about manliness to respond to new urgencies on and beyond the gridiron Thomas P Oates uses feminist theory to break down the dynamic cultural politics shaping and shaped by today s NFL As he shows the league s wildly popular product provides an arena for media producers to work out and recalibrate the anxieties contradictions and challenges that characterize contemporary masculinity Oates draws from a range of pop culture narratives to map the complex set of theories about gender and race and to reveal a league and fan base in flux Though longing for a past dominated by white masculinity the mediated NFL also subtly aligns with a new economic reality that demands it cope with the shifting relations of gender race sexuality and class Indeed pro football crafts new meanings of each by its canny mobilization of historic ideological processes **Ulrich's International Periodicals Directory** Carolyn Farquhar Ulrich, 2001
