**Thea Stilton: Big Trouble in the Big Apple (Thea Stilton #8)** Thea Stilton, 2011-09-01 Geronimo's adventurous sister Thea narrates this fabulous adventure that's packed with action, mystery, and friendship. The Thea Sisters are off to New York City for another fabulous adventure. Nicky has been training to run the Big Apple Marathon, and her friends are there to support her. While in the city, they all visit Pamela's family and have a delicious dinner at the family's pizzeria. But the mouselings discover that someone has been threatening to burn the restaurant down, and Pam's family might have to close it for good to stay safe. Will the Thea Sisters catch the troublemaker before it's too late? *Chain Store Age*, 1963

**Brock Downsized** Robert Riche, 2012-10-11 Brock Downsized the story. When the prostheses and condom manufacturing factory where Bill Brock has been Communications Manager goes belly up, Brock finds himself out on the street. In this comic but ultimately serious novel, Brock is obliged to take up the somewhat undignified role of wedding videographer. At the same time, he is suddenly faced with a series of mid-life setbacks. His prostate goes floppy, and the jolly, high-spirited doctors prescribe every type of wrong medication. While at the same time, the nutty, sexy wife of his nutty psychiatrist tries to seduce him, his aged father is dying in a nursing home, his next-door neighbor draws him unwittingly into a kiddyporn ring, and his artist son is implicated as a terrorist storing fertilizer and metal bomb parts in the family's backyard while his daughter's infatuation with a married man is about to drive him crazy. After all this and quite a bit more, Brock finds himself one could say a bit discomfited. Brock's spirit is indomitable, however, as he flounders about attempting to gain control over his life. The humor is laugh-out-loud, comical, and yet the book has moments that are often deeply moving while eschewing false sentimentality. *Walking Dead Man's Blog & Halloween Tales*

**Gary L. Morton, 2010-07-22** *Walking Dead Man's Blog* is horror fiction with class, and it moves through many unique plots and styles. Gary Morton can write fiction of any length. Something few authors can do. He's offbeat, then gruesome, then straight horror, telling a ghost story or on a slug hunt. The book moves through so many tales as to keep you always turning the pages. *Frank Web Fright Library*

**Consensus Universe Trilogy** Peter J. Foote, 2023-09-09 Nigel never expected to survive getting thrown off a dam, let alone be rescued by an alien from an ancient race that secretly calls Earth's deep oceans home. But when Vivian offers him a place in the Consensus, an intergalactic collective of advanced species, he's faced with an impossible choice: leave his world behind or fight to save it. When he learns that the Menace, a ruthless extraterrestrial force, plans to attack Earth, Nigel refuses to walk away. He must convince the Consensus that humanity is worth saving, all while dealing with amnesia, reconnecting with his high school crush, and rescuing the daughter he never knew existed. Stopping one invasion is only the beginning. As war spreads across the stars, Nigel and his family are thrust into the heart of the conflict. Stranded on an enemy-occupied world, they must forge uneasy alliances to survive. But when his daughter is afflicted with a dangerous gift from their alien allies, Nigel will risk everything to save her, even if it means striking deep into the Menace's stronghold. Victory is within reach, but at what cost?
