Sat Practice Last 90 Days Tutorial:

The Born Again Runner Pete Magill, 2016-10-09 Pete Magill's *The Born Again Runner* is a one of a kind guide for everyone who wants to run but feels they can't. As a drug addled young man Pete Magill once found himself in the ER with his body telling him to give up. Taking up running seemed impossible but he willed himself to do it anyway. Magill went on to become one of the fastest masters runners ever a multi USA Masters Cross Country Runner of the Year and a sought after coach. Over a glowing albeit hard won career he has heard every excuse people use to stop running or never start from achy knees and sore ankles to advanced age and arthritis to too many cigarettes or years on the couch. In every case Magill's best advice is to do what he did. Run anyway at a pace and mileage that work. Through inspiration science and anecdote Magill gets runners out the door through personal action plans he sets them on the right path and through the best exercises to protect and rehabilitate the body he keeps them going showing a way forward for new and sidelined runners who haven't before realized how close they are to fun and pain free running. Whether you're just starting out as a runner or starting afresh you can do no better than heed the guidance of running's ultimate comeback kid Pete Magill as presented in *The Born Again Runner*. Matt Fitzgerald award winning co author of *Pain Performance*. Myths are busted and excuses are denied. It will be pretty difficult to deny Magill so just get out there start and stay with your running regime. Portland Book Review
