The Outrageous Idea of Christian Scholarship George M. Marsden, 2024 First published in 1997 The Outrageous Idea of Christian Scholarship is a landmark work that offered a bold call to re establish Christian perspectives in academia While other defining elements of a scholar s identity such as race or gender are routinely welcomed as providing valued points of view the perspectives of believing Christians are sometimes dismissed as irrelevant or worse antithetical to the scholarly enterprise George M Marsden argues forcefully that academia is enriched by encouraging religious diversity For this second edition Marsden has added a new preface as well as an entirely new chapter reflecting on the changing landscape of academia in the quarter century since the book first appeared In principle the arguments for recognizing religious outlooks as legitimate expressions of diversity have been more widely accepted In practice the diverse academy is often a dangerously contentious place where constructive intellectual exchange is difficult Marsden shows how Christians can contribute constructively to a variety of academic settings and exemplify the virtues that should be integral to a Christian s intellectual inquiry and exchange

Music and Human Flourishing Anna Harwell Celenza, 2023 It has long been accepted that participating in music either as a performer listener or composer can contribute to human happiness and well being This volume part of The Humanities and Human Flourishing series explores a fourth musical activity the act of music scholarship and reveals how engagement with the cultural social and political practices surrounding music contributes to human flourishing in a way that listening performing and even composing alone cannot Music and Human Flourishing contains essays by eleven prominent scholars representing the fields of musicology ethnomusicology and music theory The essays are divided into three general categories and cover a broad range of topics and music traditions In Part I Contemplation contributors explore a specific facet of music s connection to human flourishing and contemplate new approaches for future action Part II Critique contains essays that challenge past assumptions of the various roles of music in society and highlight the effects that unconscious bias and stereotyping have had on music s effectiveness to facilitate human flourishing Part III Communication features essays that explore how ethnicity gender religion and technology influence our ability to connect with others through music Collectively these essays demonstrate how the process of thinking and writing about music and human flourishing can lead to revelations about cultural identity social rituals political ideologies and even spiritual transcendence

Central European Folk Music Philip V. Bohlman, 2013-10-28 This is the first annotated bibliography in German or English to gather the rich sources for German language folk music scholarship It presents a comprehensive view of both historical and contemporary trends in a field embracing folkloristics and ethnomusicology as well as philological and cultural studies Beginning with early theories of folk song formulated by Herder Goethe the Brothers Grimm and others the book examines the most important collections of the 19th century folk song movement and surveys the 20th century institutions and publications that have made folk music scholarship essential to an understanding of German

speaking Europe The book represents the enormous diversity of folk music Ideas of genre and classification contrast with the ways in which minority and ethnic groups have contributed to the complex constructs of 19th and 20th century nationalism The intellectual history in this book often takes the form of a clash between institutions and the forceful personalities of scholars who theorized that folk music was the product of individuals or the linguistic core of nations Entries that illustrate the ways in which constructs of folk music have contributed to the politics of culture e g in Nazi Germany or in the workers culture of the former German Democratic Republic also constitute the expansive musical landscape covered by this book The author includes diverse disciplinary perspectives not just those of folklorists but also concepts from ethnomusicology historical musicology and religious and cultural studies In addition to traditional studies of the canons of German folk music e g ballads and singing society repertoires Bohlman includes studies of religious and ethnic minorities and of German folk music in nations and regions outside Central Europe The comprehensive nature of this book not only makes available a rich history of scholarship but also contextualizes Central European folk music as a vital and critical discipline for the interpretation of a changing Europe Includes index

The Condition of Music and Anglophone Influences in the Poetry of Shao Xunmei Tian Jin, 2020-10-06 This book examines the unique poetics of Shao Xunmei 1906-1968 a Chinese poet who has long been marginalized by contemporary criticism Shao aspires to reach the condition of music in poetry which bears a resemblance to three Anglophone writers whom he applauds Algernon Charles Swinburne Edith Sitwell and George Augustus Moore The Condition of Music and Anglophone Influences in the Poetry of Shao Xunmei investigates how these three writers influenced Shao and how this inspiration helped shape his idea of the condition of music in poetry In the scope of world literature this book aims to fill a small but important puzzle piece in the global network of literary influence In a world where cultural exchanges have become increasingly frequent and convenient and at a time when counter globalization seems to burgeon into a hazardous trend it is beneficial to look back to the 1920s 1930s a time that is as equally tumultuous as today to examine the global influence network that has taken us where we are and to understand that in the dynamic of literary influence no single piece of literature can have its significance alone This groundbreaking book will benefit the scholarship of Shao and contribute to the relevant research in Chinese studies and word and music studies Therefore it will be of great use and interest to researchers of comparative literature Chinese literature and world literature as well as scholars of word and music studies

Narratives and Reflections in Music Education Tawnya D. Smith, Karin S. Hendricks, 2020-02-03 This volume offers chapters written by some of the most respected narrative and qualitative inquiry writers in the field of music education The authorship and scope are international and the chapters advance the philosophical theoretical and methodological bases of narrative inquiry in music education and the arts The book contains two sections each with a specific aim The first is to continue and expand upon dialogue regarding narrative inquiry in music education emphasizing how narrative involves the art of listening to and hearing others whose voices are often unheard The chapters

invite music teachers and scholars to experience and confront music education stories from multiple perspectives and worldviews inviting an international readership to engage in critical dialogue with and about marginalized voices in music

The second section focuses on ways in which narrative might be represented beyond the printed page such as with music film photography and performative pieces This section includes philosophical discussions about arts based and aesthetic inquiry as well as examples of such work Music and Music Education in People's Lives Gary McPherson, Graham F.
