Breaking Into the Backcountry Steve Edwards,2010-10-01 Well aware of what could go wrong living two hours from town with no electricity and no neighbors Edwards was surprised by what could go right In prose that is by turns lyrical introspective and funny Breaking into the Backcountry is the story of what he discovered that alone in a wild place each day is a challenge and a gift Whether chronicling the pleasures of a day long fishing trip his first encounter with a black bear a lightning storm and the threat of fire the beauty of a steelhead the attacks of 9 11 or a silence so profound that a black tailed deer chewing grass outside his window could wake him from sleep Edwards's careful evocation of the river canyon and its effect on him testifies to the enduring power of wilderness to transform a life

Miseducating for the Global Economy Gerald Coles,2018-06-26 Reveals that behind the going concern for global economy education lies capitalism's indifference to human values to a fair distribution of resources to its radical restructuring of workplaces with an attendant intensification of work effort and to the genuine well being of workers and their families Coles provides a real education about the twenty first century global economy and what corporations are doing to prevent our learning about it He describes the intellectually narrow and morally crippling effects of the corporate control of education how the imperative for profit maximizes the misunderstanding of communities nations and the environment even as it minimizes aesthetic appreciation cultural expression compassion itself But it is by understanding all this Coles argues that real change can begin

Adapted from publisher description **Meme Selling** Malik Jordan,2020-03-28 My name is Malik Jordan I am the author of this book and this will probably be the most honest book introduction description that you have ever read Meme Selling How To Earn More Than 100 Making Memes in 5 Simple Steps Censored is quite frankly nothing but a short book showing people how to go from a beginner level meme creator to a professional meme creator that earns money making memes for people

online Most authors overpromise and under deliver when they write their book introduction That is not what I am about to do In this introduction I will tell you how to earn more than 100 making memes in 5 simple steps My advice will be practical and straight to the point Let s Be Honest Book introductions are basically a form of marketing to get people to buy the book In this book introduction I am going to be very transparent with you I ll be so transparent with you that you may lose interest in this book and choose not to buy it and that is fine with me Did I write this introduction to market it to you and to get book sales The answer is yes but I do not want just anyone to buy this book I want this book to be bought by people who are serious about earning money from making great memes This Book Is Cheap For just the low price of 2 99 you can learn how to earn more than 100 making memes in 5 simple steps According to CollegeBoard com the national average for college textbooks is 1 137 per year You purchasing this book will be an inexpensive investment in your future and if you practice the 5 SIMPLE steps in this book it will pay for itself 3 Reasons Why This Book Is So Cheap The first reason why this book is so cheap is because most people who would be interested in a book like this are millennials Millenials are the poorest generation so far That s why I made this book cheap when I self published it The second reason this book is so cheap is because it is SUPER short Usually when you hear advice that is straight to the point it is short The truth is usually short straight to the point and simple just like this book The third reason why this book is so cheap is because it didn t take a lot of money to write and self publish this book in the first place I don t owe a book publishing company money so I m not about to charge you over 20 for a book like this What You Are Being Sold Let s address the elephant in the room I m not selling you the perfect book because the perfect book doesn t exist no matter how much work I put into it or hire someone else to put into it I m selling you a book with practical easy to understand steps on how to earn more than 100 making memes Also this book contains proof that I was able to earn more than 100 making memes just so that you know that all of this is indeed possible to do QUICK DISCLAIMER Before I get into the 5 steps that will be taught to you I want to let you know a few things This is not a scam No the steps will not be easy but they are not hard either The 5 steps are SIMPLE If you aren t satisfied you can get your money back Usually when people do research on how to create an extra stream of income they come across things like affiliate marketing and making YouTube videos This book is most likely the first book to ever teach people how to turn their passion for memes into an additional stream of income Can I Earn More Than 100 Making Memes I know what you re probably thinking and the answer is yes You can earn more than 100 making memes I have done it before There is no limit to how much money you can earn making memes What this book focuses on the most is teaching you and everyone else who buys this book how to earn their FIRST 100 dollars making memes As long as you have a talent for making memes and self efficacy you will be able to earn more than 100 making memes QUICK SUMMARY STEP ONE MAKE GREAT MEMES STEP TWO BUILD CREDIBILITY THROUGH CONTENT MARKETING STEP THREE EARN MORE THAN 100 BY STARTING A BUSINESS STEP FOUR COLLECT YOUR REVENUE AND GET PAID STEP FIVE TAKE EVERYTHING YOU HAVE LEARNED

even more enmeshed in all areas of business and product design **Digital Immigrants and Media Integration** Sally J. McMillan, 2023-07-03 In *Digital Immigrants and Media Integration: The Smartphone Is the Synthesizer* Sally J. McMillan draws insights from the lived experience of digital immigrants who are Baby Boomers and who grew up without digital mobile technologies and have transitioned to become smartphone users. McMillan traces key points in media evolution that shaped the communication tools that digital immigrants use today, demonstrating that continued incremental change has led to a shift in focus from media types to media interfaces, with smartphones becoming ubiquitous and indispensable. The smartphone, she posits, is now firmly tied to identity. Although the telegraph was the first medium to allow the message to arrive before the messenger and initiated the transition from cool to hot media, it is the smartphone that has fully synthesized communication forms and functions into a single digital and mobile device. Through collecting and analyzing these personal and public histories, McMillan finds that digital immigrants continue to seek a balance between value and ease and between breadth and depth of communication. Scholars of communication, media ecology, and technology will find this book of particular interest.
