Moore, 2022-08-22 This Companion covers a range of receptions of ancient Greek and Roman gender and sexuality It explores ancient representations of these concepts as we define them today as well as recent perspectives that have been projected back onto antiquity Beginning in antiquity the chapters examine how the ancient Greeks and Romans regarded concepts of what we would today call gender and sexuality based on the evidence available to us and chart the varied interpretations and receptions of these concepts across time to the present day In exploring how different cultures have received the classical past the volume investigates these cultures different interpretations of Greek and Roman sexualities and what these interpretations can reveal about their own attitudes Through the contributions in this book the reader gains a deeper understanding of this essential part of human existence derived from influential sources From ancient to modern and postmodern perspectives from cinematic productions

to TikTok videos receptions of ancient gender and sexuality abound This volume is of interest to students and scholars of ancient history gender and sexuality in the ancient world and ancient societies as well as those working on popular culture and gender studies more broadly *Heart Marks the Spot* Libby Hubscher,2025-07-22 A treasure hunter and the bestselling adventure novelist who broke her heart after one successful expedition reunite for a summer to search for lost riches Treasure hunter Stella Moore dreams of having it all wealth love and a flourishing career but knows she ll never be that lucky Every summer she and her childhood friends travel to search for hidden treasure but she can barely manage her bills let alone a relationship Then a chance encounter with alluring novelist Huck Sullivan during an expedition in Iceland has Stella thinking maybe her fortune has changed After his last book bombed Huck hasn t written a word Joining Stella and her crew on an adventure seems like the perfect distraction from his problems and when the crew finally uncovers hidden treasure he is certain that he s found more than just inspiration for his next novel Huck and Stella s undeniable connection gives way to an unforgettable night on a black sand beach After Huck disappears without a goodbye Stella vows to put the heartbreak behind her but that s easier said than done when a year later every bookstore has a life size cutout of her ex lover next to stacks of his latest record breaking bestseller Good thing it s time for another summer treasure hunt Stella throws herself into mapping the path to a shipwreck off Key West but the last thing she expects is an extra crew member showing up in search of material for a sequel and a second chance Stella and Huck are prepared for storms sharks sea sickness even a tentative truce But facing the feelings they buried and confronting the devastating truth about why Huck left is the only way to find what their hearts have been searching for all along *Fantasy Publishing Facts* Jacob Smith,AI,2025-02-20 *Fantasy Publishing Facts* explores the business and social science aspects of the fantasy genre revealing the economic engines and social dynamics that drive this popular form of entertainment The book delves into the publishing industry examining sales data and market trends to understand the financial scale of fantasy literature It also investigates reader demographics and the influence of social media on readership providing a comprehensive view of the fantasy ecosystem A key insight is the demonstration of how the fantasy genre functions as both a creative endeavor and a complex system The book uses a data driven approach integrating economic analysis with social science insights to reveal the interplay between publishers and readers For instance author incomes and reader demographics are analyzed alongside social media trends to showcase the economic impact and social influences shaping the genre The book progresses through four sections starting with core concepts and methodologies then analyzing the production side sales incomes publishing houses followed by an examination of readership demographics communities social media and finally synthesizing these findings to offer practical implications for authors publishers and marketers This multi dimensional approach makes *Fantasy Publishing Facts* uniquely valuable for anyone seeking a deeper understanding of the fantasy publishing world *What Readers Do* Beth Driscoll,2024-02-21 Shining a spotlight on everyday readers of the 21st century Beth Driscoll explores how contemporary readers of Anglophone

fiction interact with the book industry digital environments and each other We live in an era when book clubs bibliomemoirs Bookstagram and BookTok are as valuable to some readers as solitary reading moments The product of nearly two decades of qualitative research into readers and reading culture What Readers Do examines reading through three dimensions aesthetic conduct moral conduct and self care to show how readers intertwine private and social behaviors and both reinforce and oppose the structures of capitalism Analyzing reading as a post digital practice that is a synthesis of both print and digital modes and on and offline behaviors Driscoll presents a methodology for studying readers that connects book history literary studies sociology and actor network theory Arguing for the vitality agency and creativity of readers this book sheds light on how we read now and on how much more readers do than just read *Children's Writers' & Artists' Yearbook 2026* Bloomsbury Publishing, 2025-07-17 Knowledge advice encouragement and inspiration this book helped turn my dream into reality Alice Oseman writer illustrator of the bestselling Heartstopper series Celebrating its 22nd edition this indispensable Children's Writers Artists Yearbook provides everything you need to know to get your work noticed With thousands of up to date contacts and inspiring articles from dozens of successful writers illustrators and industry insiders it is the ultimate resource on writing and publishing for children of all ages Packed with insights and practical tips it provides expert advice on submitting to agents and publishers writing non fiction and fiction across genres and formats poetry plays broadcast media and illustration self publishing copyright finances and contracts marketing prizes and festivals and much much more New articles for 2026 include Foreword by Ross Montgomery winner of the Children's Book Award 2025 Publishing options for debut writers by Andy Darcy Theo Ghostwriting by Sam Binnie Choosing your audience by Finn Longman Being a successful self published author by Griselda Heppel Writing poems for children by Laura Mucha Author agent contracts by Lydia Silver The many hats of a literary agent by Christabel McKinley Picture book illustration by Si n Roberts Picture book writing by Sital Gorasia Chapman Creating comic books by Jamie Smart Between the covers of this book is everything you need to know to get published Julia Donaldson **Filterworld** Kyle Chayka, 2025-01-21 From New Yorker staff writer and author of The Longing for Less Kyle Chayka comes a timely history and investigation of a world ruled by algorithms which determine the shape of culture itself From trendy restaurants to city grids to TikTok and Netflix feeds the world round algorithmic recommendations dictate our experiences and choices The algorithm is present in the familiar neon signs and exposed brick of Internet cafes be it in Nairobi or Portland and the skeletal modern furniture of Airbnbs in cities big and small Over the last decade this network of mathematically determined decisions has taken over almost unnoticed informing the songs we listen to the friends with whom we stay in touch as we've grown increasingly accustomed to our insipid new normal This ever tightening web woven by algorithms is called Filterworld Kyle Chayka shows us how online and offline spaces alike have been engineered for seamless consumption becoming a source of pervasive anxiety in the process Users of technology have been forced to contend with data driven equations that try to anticipate their desires and often get them wrong What results

is a state of docility that allows tech companies to curtail human experiences human lives for profit But to have our tastes behaviors and emotions governed by computers while convenient does nothing short of call the very notion of free will into question In Filterworld Chayka traces this creeping machine guided curation as it infiltrates the furthest reaches of our digital physical and psychological spaces With algorithms increasingly influencing not just what culture we consume but what culture is produced urgent questions arise What happens when shareability supersedes messiness innovation and creativity the qualities that make us human What does it mean to make a choice when the options have been so carefully arranged for us Is personal freedom possible on the Internet To the last question Filterworld argues yes but to escape Filterworld and even transcend it we must first understand it Writers' & Artists' Yearbook 2026 Bloomsbury

EXCLUSIVE BONUS CHAPTER Amber s series breaks the rules in the best way Her main character is strong capable and unapologetically powerful There is no damsel here This story is filled with fast paced action an in depth world and a romance that goes from simmer to boil If you like romantasy read this RAVEN KENNEDY Don t miss this addictive BookTok sensation a perfectly steamy high stakes TRUE enemies to lovers dark epic romantasy _____ WHERE THERE ARE GODS THERE ARE ALSO MONSTERS For a thousand years the Etherworld has known peace Until now Many centuries ago desperate to save her dying sister Dianna made a deal with Kaden a monster far worse than any nightmare Locked in servitude to him she is forced to hunt down an ancient relic held by her most dangerous enemies an army led by Samkiel the

World Ender After the Gods War Samkiel hid from everything denying his crown and deserting his people Now an attack on those he loves sends him back to the realm he never wished to return to and into the sights of an enemy he had hoped to forget With every world at stake Dianna and Samkiel are forced to set aside their animosity and work together before all is lost Don t miss the next books in the series THE THRONE OF BROKEN GODS and THE DAWN OF THE CURSED QUEEN and look out for Book 4 coming soon _____

A wicked ride from beginning to heart shattering end Leaving me literally screaming for more I couldn t turn the pages fast enough to get more our morally corrupt heroine who you can t help but root for along with the giggle inducing banter between her and the heroic god Samkiel HANNAH NICOLE MAERHER Once in a while I read a series that reminds me of just why I love enemies to lovers slow burn and morally grey characters so much Gods and Monsters is that series This is perfection Amber Nicole s Dianna is the FMC of my soul NISHA J TULI Readers can t get enough of Samkiel and Dianna I loved reading this book so much The world building is amazing Dianna is super badass and I love how she grew in the book Can t wait to read the next in the series So so so so good Such a well written and addictive read Brings all the emotions and a great amount of twists and turns Highly recommend I am so glad BookTok showed me this book I jumped in based off of one single line and I regret NOTHING I especially love the fact that the characters are all very unique and feel very original Loved it so much cannot wait for book 2 And did I see that this will be a 5 book series HELL YES PLEASE An easy 5 read This is my favourite book of the year so far You need to read this I couldn t put it down I need to go now and download the second book Well what a read I am so glad that I picked this bad boy up My first 5 read for a really long time I think book 2 will blow it out of the park Absolutely amazing characters and that ending

The Digital Future of English Simone Murray, 2025-07-18 More than any other academic discipline literary studies is the creation of print culture How then can it thrive in the digital era Early 1990s predictions of the book s imminent demise presented a simplistic either/or choice between the legacy of moribund print and triumphalist digital technology Yet we have grown to experience the two media as complexly interdependent and even complementary Clearly digital does not kill print But literary studies in the digital era cannot simply resume business as usual It is urgently necessary to reconsider the discipline s founding assumptions in light of digital technology The digital era prompts a rethinking of literary studies object of study as well as its methods theories audiences and pedagogical practices What counts as literature necessarily shifts in an age of proliferating born digital texts and do it yourself DIY online publication Where should literary studies sit institutionally and how might it graft contextually oriented social sciences methods onto its traditionally humanistic mode of textual analysis Why should literary study continue to marginalize emotional responses to texts when online communities bond via readerly affect Who is the audience for literary criticism in an age where expertise is routinely challenged yet communication with global book loving publics has never been technologically easier Finally how can we utilize digital tools to rejuvenate literary studies pedagogy and help English staff better connect with millennial age

students Literary studies has been convulsed for decades by debates over electronic literature and more recently digitally aided distant reading But these discussions still mostly confine themselves to demarcating our proper object of study We need to think more expansively about digital technology s impact on the underpinning tenets of the discipline Literary Media Studies is pitched at fellow literary scholars book historians media theorists cultural sociologists digital humanists and those working at the interface of these converging disciplines It models constructive engagement with contemporary digital culture Most importantly it brings a burst of sorely needed optimism to the question of literary studies digital future The Routledge Handbook of Fan Video and Digital Authorship Louisa Ellen Stein,Samantha Close,2025-10-31 This cutting edge collection explores the histories aesthetics and cultural work of fan video across a wide variety of manifestations and genres Editors Louisa Ellen Stein and Samantha Close have assembled an edited collection that showcases the aesthetic diversity and transcultural dynamics at play in fan video as a widespread form The collection explores the relationships between fan video as a set of DIY subcultural authorship forms and the broader evolving popular cultures of digital media looking at how fan video structures and aesthetics influence other popular and commercial forms of digital video In order to do so it examines a wide range of fan video genres and practices including vidding reaction videos self insert TikToks ASMR videos Let s Play videos streams Bilibili videos gif loops fan films crack videos animatics collection videos deepfakes fake trailers and fan video essays among others It features chapters by a range of scholars working in the intersecting fields of digital media studies fan studies media studies cultural studies audience studies video game studies transcultural studies and videographic studies A field defining collection this Handbook will be of interest to students and scholars of digital media studies fan studies media studies cultural studies videographic studies and beyond *Feminist Perspectives on Law and Literature* Laura Schmitz-Justen,Laura A. Zander,Hanna Luise Kroll,Laura Wittmann,2025-04-21 The interdisciplinary study of law and literature can help us better understand intersectionality and vice versa intersectional feminist perspectives are extremely valuable in the study of law and literature Of course neither feminist nor intersectional approaches are new in and of themselves for decades literary scholarship has studied the impact of particular constellations of gender race and class when it comes to representations of women in literary texts and has succeeded in shaking monolithic and stereotypical notions of womanhood However research at the intersection of law literature and feminism has so far been limited and insular Bringing together more than twenty international researchers from related disciplines this volume is the first to bring questions of intersectional feminism to the forefront of law and literature scholarship From reproductive and trans gender justice in law and literature to feminist practices that intervene in judicial discourse this volume brings into focus a wide range of cultural and legal phenomena in which gender and the law intersect in literary texts The volume s commitment to intersectionality fittingly extends to its very make up the contributors were selected to represent a diverse range of positions in terms of their gender career stage and nationality **Licked** Loretta Kendall,2025-03-17 When a genie tattoo named

Tantric possesses a lonely bachelor the unsuspecting male model is pulled into a whirlwind of potential spicy misadventures As an 18th century playboy trapped in ink Tantric isn't interested in love just pleasure meddling in Axel's love life in the most inappropriate ways in search of his host's soulmate Only then will he be free from the tattoo to live a free life again When a sassy fourth wall breaking narrator named Journey steps into the story jealousy looms when she starts falling for the main character With magical genie interference questionable tattoo placement and a storyteller who wants a love story of her own Axel is in for one wild ride A lickably romantic comedy about the weird world of dating mischievous matchmaking and unfortunate tattoo placement

Of Canoes and Crocodiles Tony Robinson-Smith, 2024-08-22 *Of Canoes and Crocodiles* is a story of adventure in the remote and threatened landscapes of Papua New Guinea In 2018 Tony Robinson Smith and his wife Nadya Ladouceur bought dugout canoes and paddled down the Sepik the country's longest river Traveling with local guides and staying in their villages Tony and Nadya ate smoked piranha and sago pancakes heard tales of river gods and sorcerers marvelled at rainbow bee eaters and cat size flying foxes sank in a tropical storm got lost in mosquito infested swamplands and hid from pirates in mangroves near the sea As the narrative follows the bends of the river Robinson Smith incorporates into its flow descriptions of crocodile initiation rites village big men the barter system raskolism and sing sings He reflects on clan loyalty colonization Christian missionaries bride price the environmental impacts of foreign logging and mining and the joys and fears of following the current down a long snaky jungle river in a volatile Melanesian country

Children's Literature and Culture Rebecca Rowe, 2025-08-08 *Children's Literature and Culture* An Introduction guides readers in the study of culture in and around children's literature Children's literature has long been used as a mechanism by which a culture passes its values from one generation to the next Because of this culturally didactic purpose children's literature can be viewed as one of the most fruitful areas of study of any given culture At the same time studying the cultures from which works of children's literature emerge and in which they circulate can also help better understand not only the ideas of childhood that underpin individual texts for children but the role they play in the construction and transmission of different cultural ideologies This book teaches readers this double work of using culture to understand children's literature and vice versa This volume traces the scholarly methodologies and histories that have attended the study of each of the 20 chapters given subject from the representation of race in and around children's literature to questions of censorship to how libraries can and do shape children's literature In the process it prepares readers to confidently enter and forward scholarly debates and to teach such debates to their own students
