Filterworld Kyle Chayka, 2024-01-23 The story told here is instrumental to your own Jared Lanier Timely erudite important Ayad Akhtar What happens when our cultural and artistic lives are dictated to us by an algorithm What does it mean when shareability supersedes innovation How can we make a choice when the options have been so carefully arranged for us From coffee shops to city grids to TikTok feeds and Netflix homepages the world over algorithmic recommendations prescribe our experiences This network of mathematically determined choices the Filterworld has taken over almost unnoticed as we've grown accustomed to an insipid new normal But to have our tastes behaviours and emotions governed by computers calls the very notion of free will into question Internationally recognized journalist and New Yorker staff writer Kyle Chayka journeys through this ever tightening web woven by algorithms He explores how online and offline spaces alike have been engineered for seamless consumption How the lowest common denominator is promoted at the expense of the complex diverse or challenging How users of technology contend with data driven equations that promise to anticipate their desires but often get them wrong How the Filterworld is determining the very shape of culture itself Chayka skilfully and compellingly traces this creeping machine guided curation that influences not just what culture we consume but what culture is produced In doing so he attempts to answer to the most urgent question currently facing us is personal freedom ever again possible on the Internet Filterworld is a fascinating history of the rise of the algorithm and an important investigation into where it could take us next if we let it

Booktok Billionaire Prudence Silva, 2025-07-19 When rising author Emery Martin wakes up to find her unpublished manuscript stolen and a viral BookTok video accusing her of plagiarism her world implodes overnight Fame was never the dream but infamy That's a nightmare As the internet turns vicious and publishing deals disappear Emery is left with one name on her lips Beckett Rhodes the ex who shattered her heart and might be the only man who can clear her name Billionaire author Beckett has secrets inked into the margins of his fame His bestselling novel *Ashes of Her* made him a literary icon but what if the real author is the woman he let walk away When a mysterious figure sues Beckett for fraud accusing him of stealing Emery's words the past and present collide in a high stakes scandal threatening to destroy them both Forced into hiding Emery and Beckett race against time to decrypt a stolen hard drive expose a stalker hidden within Beckett's inner circle and survive the digital wildfire consuming their reputations But the deeper they dig the more twisted the truth becomes At a BookTok mega convention a public reconciliation spirals into chaos when a hacker leaks Emery's next billion dollar manuscript in real time triggering a security lockdown and exposing a betrayal no one saw coming Just as Emery reclaims her voice and signs a life changing publishing deal a chilling message arrives You think you know the ending But the sequel's already begun Can Emery trust the man who broke her heart or will her story be rewritten once again
