**The Dark Social** Toija Cinque,Alexia Maddox,Robert W. Gehl,2023-11-07 This book explores how people interact online through anonymous communication in encrypted hidden or otherwise obscured online spaces Beyond the Dark Web itself this book examines how the concept of dark social broadens the possibilities for examining notions of darkness and sociality in the age of digitality and datafied life The authors take into account technical moral ethical and pragmatic responses to ourselves and communities seeking to belong in of the dark Scholarship on the Darknet and Dark Social Spaces tends to focus on the uses of encryption and other privacy enhancing technologies to engender resistance acts Such understandings of the dark social are naturally in tension with social and political theories which argue that for politics and acts to matter they must appear in the public light They are also in tension with popular narratives of the dark recesses of the web which are disparaged by structural powers who seek to keep their subjects knowable and locatable on the clear web The binary of dark versus light is challenged in this book The authors provocation is that practices of dark resistance motility and power are enacted by emerging data cultures This book draws together scholarship activism and creativity to push past conceptual binary positions and create new approaches to darknet and dark social studies The Dark Social Online Practices of Resistance Motility and Power will be a key resource for academics researchers and advanced students of media studies cultural studies communication studies research methods and sociology This book was originally published as a special issue of Continuum Journal of Media Cultural Studies

**Aggression in Public Debates on Immigration** Andreas Musolff, 2019-04-24 The global rise in the number size and complexity of migration flows has not only resulted in an unprecedented flurry of debates and negotiations about how to deal with it through economic social and military policies but also in a huge increase in racist and xenophobic language use and discriminatory discourse The expression of aggression and hatred in anti immigration debates and its relationship to racism and its pseudo justification lie at the center of this volume Its seven main contributions provide exemplary analyses of European and US debates that instrumentalize anti immigrant attitudes on the one hand among far right populists in Cyprus in Serbian and Croatian nationalism and in the Hungarian government's attempts at legitimizing immigration exclusion and on the other hand in discourses associated with US president Trump and his followers including racists tactical denial of

racism Methodologically all studies pursue corpus based Critical Discourse Analysis with foci on lexical figurative argumentative and discourse historical patterns Together they show the convergence of populist polemic strategies Originally published as special issue of the Journal of Language Aggression and Conflict issue 5 2 2017     **A Death on W Street** Andy Kroll,2022-09-06 Named one of Mother Jones BOOKS WE NEEDED IN 2022 Named one of CrimeReads BEST NEW TRUE CRIME BOOKS OUT NOW A true crime story for the post truth era In the early hours of July 10 2016 gunshots rang out and a young man lay fatally wounded on a quiet Washington DC street But who killed Seth Rich When he was buried in his hometown his rabbi declared There are no answers for a young man gunned down in the prime of his life The rabbi was wrong There were in fact many answers way too many In the absence of an arrest a howling mob filled the void Wild speculation and fantastical theories surfaced on social media and gained traction thanks to a high level cast of provocateurs But it wasn't until Fox News took the rumors from the fringes to the mainstream that Seth Rich's life and death grew into something altogether unexpected one of the foundational conspiracy theories of modern times A Death on W Street unravels this gripping saga of murder madness and political chicanery one that would ensnare Hillary Clinton and Steve Bannon a popular pizzeria in northwest DC and the most powerful voices in American media It's the story of an idealistic twenty seven year old political staffer who became a tragic victim of the culture wars until his family decided that they had no choice but to defend his name and put an end to the cruel deceptions that surrounded his death This is the definitive story of Seth Rich of those who tried to weaponize his memory in a war of words unlike any other and of one family's crusade to protect the truth against all odds     Strategic Response to Turbulence Karol Marek Klimczak,Yochanan Shachmurove,2025-01-09 This cutting edge book brings together an international team of academics to paint a global picture of business strategy in response to recent shocks from the COVID 19 pandemic to rapid climate change     *The History and Antiquities of the County Palatine of Durham* William Hutchinson,1787     The Cryptopians Laura Shin,2022-02-22 The story of the idealists technologists and opportunists fighting to bring cryptocurrency to the masses In their short history Bitcoin and other cryptocurrencies have gone through booms busts and internecine wars recently reaching a market valuation of more than 2 trillion The central promise of crypto endures vast fortunes made from decentralized networks not controlled by any single entity and not yet regulated by many governments The recent growth of crypto would have been all but impossible if not for a brilliant young man named Vitalik Buterin and his creation Ethereum In this book Laura Shin takes readers inside the founding of this novel cryptocurrency network which enabled users to launch their own new coins thus creating a new crypto fever She introduces readers to larger than life characters like Buterin the Web3 wunderkind his short lived CEO Charles Hoskinson and Joe Lubin a former Goldman Sachs VP who became one of crypto's most well known billionaires Sparks fly as these outsized personalities fight for their piece of a seemingly limitless new business opportunity This fascinating book shows the crypto market for what it really is a deeply personal struggle to influence the coming revolution in money culture
