*Romance Book* Andrew Lang, 2016-08-23. I once read a book about a poor little lonely boy in a great house with a large library. This boy was pale, dull, and moping. Nobody knew what was the matter with him. But somebody tracked him into the library and saw him take a huge, thick black book half as tall as himself out of a bookcase and sit down and read it. The name of the book was Poleyander. So he sat and sobbed over Poleyander because it was so very dull and so very long. There were 800 pages and he had only read sixty-seven. But some very stupid grown-up person had told him that he must always begin a book at the beginning and if he once began, he must read every word of it and read nothing else till he had finished every word of it.

*A Glitter of Gold (Georgia Coast Romance Book #2)* Liz Johnson, 2019-08-06. Anne Norris moved to Savannah, Georgia, for a fresh start. Now her pirate tour business is flagging, and paying the rent requires more than wishful thinking. When she discovers evidence of a shipwreck off the coast of Tybee Island, she knows it could be just the boon she needs to stay afloat. She takes her findings to local museum director Carter Hale for confirmation, but she runs after a disastrous first meeting. Carter has been searching for the location of the wreck detailed in the worn pages of an 18th-century diary; the discovery of which could open the door to his dream job at a prestigious museum. But convincing Anne to help him fill in the missing pieces of the puzzle is no easy task. And working with Carter means that Anne will have to do the one thing she swore she'd never do again: trust a man. Finding a monetary backer and sticking with a search that's turning up nothing will take all their dedication, and every secret they've tried to hide. If they can find the lost ship, they may discover a treasure worth more than all the pirate gold in the world.
