King,2024-03-19 Learn the tips tricks and strategies to get your short romance into the hands of readers and earn the money you deserve Packed full off information including My number one marketing tool that works every time The key actions that catapulted me to a six figure income How to plan a series your readers will want to binge read Rapid release

strategies for every author How to hit key romance beats in under 10 000 words Why your definition of success will differ from everyone else s and how to use this knowledge to plan your badass author strategy I ll take you through the six steps to success as a short romance author With over 120 short romance books published since 2019 I ve learned a lot along the way I ve celebrated numerous successes including becoming a USA Today Bestselling Author seeing my books sit together at numbers one two three and four in my chosen Amazon category and watching my income climb to six figures as the strategies and tactics I ve applied started to pay off It s been a heck of a journey and one that I want to share with other authors so you too can achieve the success you deserve I ll share the strategies that worked the ones that didn t the highs and lows the cringy moments and the joyful ones on my journey to becoming a six figure author Spreading the Light Archie Crawford,2004 This book is about life and is written in plain everyday language The author boldly faces up to those fundamental questions rankling at the back of one s mind such as Is there really a God Where is He What is the nature of the soul What is truth Is reincarnation true Is there any purpose in the universe Does God cause suffering Do angels exist Who am I Can effect become cause Does space and time really exist etc He probes deep into the structure of your mind and with great clarity shows you how your mind works and how you can use it to find success in everything you do He shows how we attract our present circumstances and how emotionally intense events are not only registered in our psychic memory but also in the memories of the cells of our body and what this means for us He devotes a chapter in which he advocates going within through meditation to find solutions to our problems Religion is examined with candor He explains the many positive benefits of religion examines its dark side and points out that like individuals some religions must resolve and get rid of the baggage of past evil deeds before they and their followers can step into the light The author shows how in spite of itself science through its quantum theories is currently making discoveries which lead to a new view of the universe more in line with that of the essence of the religions and the experiences of the mystics of this world He shows how science and religion are at last beginning to merge For example there is now scientific proof of the value of prayer proof that the mind is non local that is it is not located in the brain and also can cause actions over distance that there is no solid matter in the universe it is all energy in one form or another He further states that a field of energy outside the material universe has been discovered where speeds exceed that of light It has also been found that our human consciousness is directly connected with matter and influences at least its microscopic particles The nature of the universe as being holographic is explored These scientific findings have profound spiritual significance He quotes experts on the future of mankind including Arthur C Clark Nobel physicist Brian Josephson Stephen Hawking etc and many more Reading this book will prepare you for the new age that is fast enveloping the earth The author s message is that in spite of the terrorism and devastation of the earth currently going on there is powerful hope There are powerful spiritual forces at work which will overcome the present chaos and lead us into a life of enlightenment and eventually of love **Northrop Frye's Notebooks on Romance** Northrop Frye,2004-01-01

Romance was a theme that ran through much of Northrop Frye's corpus and his notebooks and typed notes on the subject are plentiful. This unpublished material written between 1944 and 1989 traces a remarkable re-evaluation in his thinking over the course of time. As a young scholar Frye insisted that romance was an expression of cultural decadence; however, in his later years he thought of it as the structural core of all fiction. The unpublished material Michael Dolzani has gathered for Northrop Frye's Notebooks on Romance shows how the pattern and conventions of romance inform the writing of history, anthropology, psychology, philosophy, and theology. While Frye is best known for his writing on myth and biblical scholarship, he himself eventually conceived of romance as the true and equal contrary to myth and scripture: a secular scripture whose message is *de te fabula*, this story is about you. Given the current popular revival of romance in fiction and film, the appearance of Frye's unpublished work on romance is of profound importance.

International Books in Print, 1988 Archie Rugh, 1988 Knowing Yourself - A Medieval Romance Lisa Shea, Kay is entranced with the possibilities which lie before her. Five handsome willing men are vying for her hand in marriage. The stakes are ownership of a medieval keep perched on the rocky edge of a stormy ocean. Each man seems more stunning than the last, and it is her choice which will reward the prize. To make the game even more interesting, Kay is disguised as a handmaiden to her sister Em so that she might more freely mingle with the suitors. In this way she can learn their strengths and catch them in their most unguarded moments. As the threat of border reivers approaches the keep, Kay finds that her pleasurable pastime takes on a far more serious overtone. Knowing who to trust and who to depend on becomes a matter of life and death.

All author's proceeds from sales of the Sword of Glastonbury series benefit battered women's shelters. Knowing Yourself is book one in the Sword of Glastonbury series. Each novel ends in a happily ever after which then leads into the next book in the series. Each of these full-length romances features its own flavor, atmosphere, and main characters. Each is set in a different part of medieval England and showcases the natural beauty of its region. Knowing Yourself is set in Cumbria in northwestern England. Knowing Yourself is a lighthearted tale of romance and courtship with a pair of fun-loving sisters in the style of a medieval bachelorette contest. It is suitable for teens and older. It does not feature any strong language nor any intimacy beyond a gentle kiss.
