Moreno, 1999-01-01 *The Elusive Quest for Equality* documents both the plight and the struggle of Chicano communities over the past 150 years using the guiding themes of segregation Americanization and resistance in the history of education for Chicanos Chicanas The history of the Chicano community's quest for educational equality is long and rich Since the Treaty of Guadalupe Hidalgo formalized the conquest of half of Mexico's territory into what is now the U S Southwest Chicanos have fought to claim what was promised them in the Treaty the enjoyment of all the
