Romance Market Rise Ivy Silver, AI, 2025-02-19 Romance Market Rise explores the surprising success of the romance novel market a sector that continues to thrive despite disruptions in the broader publishing industry The book examines the market s dynamics its economic impact and its relationship with contemporary culture showing how the genre has adapted to changing consumer demands For instance the romance genre has successfully leveraged digital platforms with independent authors finding innovative ways to connect with readers and drive sales It also addresses how shifts in societal values and reader expectations have helped shape the genre and its sales over time The book uses a multifaceted approach incorporating quantitative sales data reader surveys and interviews to dissect the romance market ecosystem It begins by introducing core concepts like readership demographics and market segmentation then progresses to a statistical analysis of sales data and publisher reports The book ultimately synthesizes these findings into a model of the romance market offering insights for authors publishers and marketers

Socializing Medicine Pao-chen Tang, Yuqian Yan, Ling Zhang , 2025-01-07 In *Socializing Medicine* Pao chen Tang Yuqian Yan and Ling Zhang explore the intersections of medicine health and East Asian media Interweaving archival research audiovisual analyses and theoretical insights from the emerging field of health humanities the book reveals the multifaceted ways in which the mass media from photography and film to television and live streaming has been deployed as a tool for controlling medicine and health privileging those with power and authority from the early twentieth century to the present Adopting anti colonial and anti capitalist perspectives the contributors in this volume challenge the dominant mediations of health against the backdrop of imperialism Cold War geopolitical tensions and neoliberal capitalism Collectively they advocate for alternative understandings of medical culture through media productions that envision accessible and equitable healthcare practices This groundbreaking anthology diverges from Eurocentric models to span the celluloid past and digital

present and investigate how East Asia offers not only illuminating examples of media shaping the socially based construction of health and medicine but also some fascinating alternatives to state centered efforts to bind the body to the nation Aaron Gerow Yale University Expanding the boundaries of health humanities and media studies simultaneously Socializing Medicine presents an enthralling picture of the ideological significance of medical media in East Asia Its transnational and intermedial approach wisely recognizes that media like viruses rarely remain stable entities or respect national borders An essential addition to the growing literature on the relationship between media medicine and power Scott Curtis Northwestern University
