Fact Forward Dan Gaylin, 2025-04-08 Solutions to increase trust and empower better decision making in a data rich world Fact Forward The Perils of Bad Information and the Promise of a Data Savvy Society explores how a growing deluge of data has led to a data rich world with abundant new opportunities and a precipitous decline in trust due to the problems we face in producing communicating and consuming data This book takes

readers on a journey through the data ecosystem showing how data producers data consumers and data disseminators all have a role to play in creating a more data savvy society Written by Dan Gaylin president and CEO of NORC at the University of Chicago a leading research organization in the field of social science and data science this book demonstrates the urgent need for greater transparency on the part of data producers increased data literacy on the part of data communicators and data consumers a societal commitment to data education and infrastructure Fact Forward The Perils of Bad Information and the Promise of a Data Savvy Society earns a well deserved spot on the bookshelves of leaders across industries and all individuals who want to build a better society and world by improving the way we present analyze and make use of data

From Street-smart to Web-wise® Al Marcella, Brian Moore, Madeline Parisi, 2024-12-27 Book 2 continues as the tiny fingers in Book 1 Grades K 2 grow and become more familiar with online activities The critical job of ensuring our children s safety expands as students become more independent and begin to have greater online autonomy From Street smart to Web wise A Cyber Safety Training Manual Built for Teachers and Designed for Children isn t just another book it s a passionate call to action for teachers a roadmap to navigate the digital landscape safely with confidence and care Written by authors who are recognized experts in their respective fields this accessible manual is a timely resource for educators Dive into engaging content that illuminates the importance of cyber safety not only in our classrooms but extending into the global community Each chapter is filled with practical examples stimulating discussion points and ready to use lesson plans tailored for students in third and fourth grades Regardless of your technology skill level this book will provide you with the guidance and the tools you need to make student cyber safety awareness practical fun and impactful As parents partner with educators to create cyber secure spaces this book stands as a framework of commitment to that partnership It s a testament to taking proactive steps in equipping our young learners with the awareness and skills they need to tread the digital world securely By choosing From Street smart to Web wise A Cyber Safety Training Manual Built for Teachers and Designed for Children you position yourself at the forefront of educational guardianship championing a future where our children can explore learn and grow online without fear Join us on this journey to empower the next generation one click at a time Total Hotel Mogel Adam Mogelonsky, Larry Mogelonsky, 2024-09-10 The future of upscale and luxury hotels is total revenues No longer simply a matter of driving occupancy properties in these categories must find ways to encourage guests of all segments to spend across a variety of ancillary revenue streams such as dining wellness golf and activities For the brand and owner s side this optimizes profitability while for the guest this augments the experience to maximize satisfaction a true win win Broken down by sections corresponding to each major hotel operation this book gives hoteliers the tools and inspiration to execute a total revenue focused commercialization strategy Corporate Risks and Leadership Eduardo E. Mariscotti, 2025-04-24 The context of business has been changing for companies in recent years and following numerous corporate and accounting scandals many countries have increased the number of national and international regulations designed to ensure

transparency and compliance with the law Because of the existence of these new regulations the level of control the severity of sanctions by governments and the amount of fines for noncompliance have increased dramatically In parallel with the technological revolution in communications business management has become more transparent and any negative event is uploaded to social networks and shared with an indeterminate number of people This change in the regulatory sanctioning and technological context has forced large companies to rethink risks investments and budgets to deal with this more complex environment To transition to this change some companies have included ethics and compliance programs in their corporate agenda along with marketing and sales plans strategies growth targets investment plans and or talent acquisition While each industry has its particular risks in this book the author describes the essential elements that any effective ethics and compliance program should contain This book is a source of information that connects yesterday with today The author shares observations and lessons of the past to suggest corporate leaders implement effective ethics and compliance programs to protect their organizations and themselves This book covers theories of ethics but with an eye focused on practical application Risks ethics and compliance are analyzed with an overall vision connected to the reality of business life without getting bogged down in abstract thinking or technical and regulatory details Ethics and compliance are disciplines that have increasingly achieved greater recognition in organizations Thus due to the importance of risk management in the business world and the necessary involvement of the CEO and the board of directors it seems appropriate that executives get access to this book about risks ethics compliance and human resources directed not only to compliance experts but also to any organizational leader This second edition offers various examples to cultivate ethical thinking and behavior identify common risks and comprehend their adverse effects on organizations **A Collection of Technical Papers** ,1987

Pesticide Residues in Food ,2009 *Geriatric Medicine and Elderly Care* Claire G. Nicholl,K. Jane Wilson,Shaun D'Souza,2025-02-18 GERIATRIC MEDICINE AND ELDERLY CARE Lecture Notes Ninth Edition An essential resource for meeting the needs of an ageing patient population As the global population ages geriatric medicine is steadily becoming one of the most important areas of medical research and care Healthcare systems in developed countries are adapting to this shift in the population and doctors are finding that a larger and larger proportion of their patients are older Current medical training often does not include adequate coverage of geriatric medicine and students may well find they require more extensive resources for meeting older patients needs Lecture Notes Geriatric Medicine and Elderly Care meets this need with a set of comprehensive but straightforward introductions to the foundational concepts of geriatric medicine Combining a user friendly format with extensive high quality figures and illustrations it is a must have resource for medical students looking to deepen their knowledge of a widening area of essential care Now thoroughly revised and updated to reflect the latest research and medical knowledge of ageing and elder care this is an essential contribution to the popular Lecture Notes series Readers of the ninth edition of Lecture Notes Geriatric Medicine and Elderly Care will also find New chapters on the

science of ageing including immunosenescence and rejuvenation research and geriatric oncology Full coverage of the British Geriatrics Society and European undergraduate curriculums A companion website with appendices key revision points for each chapter and further readings Lecture Notes Geriatric Medicine and Elderly Care is ideal for medical students and Foundation Year doctors in most specialties who are treating frail older people It also provides a starting point for revision for higher specialty examinations in geriatric medicine Anki Revision Cards A set of Anki App digital revision cards is available to go with this textbook The cards contain the material from the self test questions in the book Anki App is a cross platform mobile and desktop flashcard app that can support your studies see www.ankiapp.com It uses an algorithm to present cards you know less well more frequently You can keep the cards on your mobile device and study them in your downtime Visit www.lecturenoteseries.paediatrics.com to download the card set to your device
