Battle of the Blood Moons Diane Shauer, 2014-06-26 We are conditioned to believe what is visible is more important than the invisible we couldn't be more deceived the visible world is less than one percent of our reality In everyday life there are creatures we cannot see demons hiding all around us in an invisible realm Humanity lies at the center of an interdimensional conflict as old as time On one side stand the demons of the great void corrupting harvesting and feeding on human souls Arrayed against the darkness are the illumine races beings of light residing in the eleventh dimension Everyone on earth has a stake in this war Knowingly or not no one stays neutral Humanity's every act shifts the balance in this unending struggle pushing further into the light or pulling back into the darkness In the midst of a messy divorce Deidre Kollister discovers her sacred role in this hidden vicious conflict A sonic warrior of light Deidre is one of twelve souls who agreed on a perilous mission before birth to prevent the upcoming soul harvest a terrible event set to begin with an ancient celestial sign Twelve extraordinary people stand against a legion of interdimensional demons The odds are stacked against Deidre and her new allies If they succeed the world may finally find peace If they fail the ancient war will end with a demonic feeding frenzy and humanity's eternal enslavement
