From the Inside Russ DiBella, 2011-03-03 In 1978 when music found its way into Russ DiBellas life largely by way of external circumstances a natural progression of sorts began to unfold which would eventually marry his affection for words with a nascent interest in drumming and lyric writing What began as a teenage rite of passage his first rock concert would spawn a lifelong passion for all things music manifesting itself in ways both deliberate and unanticipated Part memoir and part backstage pass From the Inside is actually written from the perspective of an outsider looking in although very often and surreptitiously from within With a detailed history of how music became such an actively integral part of his life even before an awareness of his parents unintended influence and an in depth behind the scenes look at several concerts to include a respectable gathering of drumsticks along the way DiBella

recounts with enthusiasm and occasional humility more than thirty years of experiences as admirer accomplice and collector Less a narrative about unofficial access to rock stars From the Inside sneaks a peek behind the proverbial curtain to discover some of the inner workings of live concerts Meeting drum techs guitar techs and other assorted crew and band members and observing load ins soundchecks and even a few shows from the other side of the stage offers an intimate look at activities otherwise inaccessible to the typical concert goer Not wanting for moments of rocknroll flash encounters with rockers Mick Jagger Eddie Van Halen and Neil Peart as well as country artists Brad Paisley and Montgomery Gentry among many others provide additional insight and add elements of celebrity to this otherwise personal account Clearly written with an appreciation both for music and those artists who've inspired From the Inside is the story of a life examined through the lens of music *Billboard* ,2010-07-03 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends

The Ultimate Sales Bible Todd Speciale, 2024-07-19 Add to cart folks ADD TO CART buy the book and get one for all your friends And once you've done that add one more Todd Speciale has knocked this one out of the park and the true secrets to sell the right way are all INSIDE THIS BOOK Danelle Delgado The Millionaire Maker INVEST in yourself right now get this book absorb the information and take immediate and direct action with it Knowledge without action is worthless Jason Sisneros Chairman Anton Jae Global Ever tried to hustle your way through a high stakes poker game knowing that the month's rent was on the line Ever used the velvet touch of persuasion to angle your next pool shot or card play ensuring the game's outcome before the final move That's where I crafted my mastery in sales Some get their sales savvy from polished boardrooms or prestigious MBA programs Me I learned the art of sales persuasion and negotiating in the streets Every move was calculated and every game was a lesson in negotiation The streets were my Ivy League teaching me more about the human psyche and persuasive moves than any traditional classroom ever could In this book I reveal how the art of the hustle from setting up poker games to guaranteeing wins in pool by sheer negotiation prowess sculpted me into a sales titan But this isn't just about my glory days on the streets It's about translating that raw unfiltered skill into a sales methodology so potent that today I'm recognized as one of the nation's premier sales trainers molding elite sales teams and advising the behemoths of the corporate world While many said I was just a gambler they didn't see the strategist within My stories of perseverance grit and the raw energy of someone who's played against the house and walked away with the jackpot will prove to you that the world of sales isn't just about transactions it's about strategy audacity and setting the stage for the win Let's turn the tables on convention and beat the odds together

As Heard on TV: Popular Music in Advertising Bethany Klein, 2016-04-15 The use of popular music in advertising represents one of the most pervasive mergers of cultural and commercial objectives in the modern age Steady public response to popular music in television commercials ranging from the celebratory to the outraged highlights both unresolved tensions around such partnerships and the need to unpack the complex issues behind everyday media practice Through an analysis of press coverage and interviews with musicians music supervisors advertising creatives and licensing managers As Heard on TV considers the industrial changes that have provided a foundation for the increased use of popular music in advertising and explores the critical issues and debates surrounding media alliances that blur cultural ambitions with commercial goals

The practice of licensing popular music for advertising revisits and continues a number of themes in cultural and media studies among them the connection between authorship and ownership in popular music the legitimization of advertising as art industrial transformations in radio and music the role of music in branding and the restructuring of meaning that results from commercial exploitation of popular music As Heard on TV addresses these topics by exploring cases involving artists from the Beatles to the Shins and various dominant corporations of the last half century As one example within a wider debate about the role of commerce in the production of culture the use of popular music in advertising provides an entry point through which a range of practices can be understood and interrogated This book attends to the relationship between popular culture and corporate power in its complicated variation at times mutually beneficial and playfully suspicious of constructed boundaries and at others conceived in strain and symbolic of the triumph of hypercommercialism Waiting in Line: A Novelette M.B.B. Whyte,2022-07-07 Summer of 1985 The year of Bruce Springsteen This is it the moment Josie Martin has been waiting for Bruce Springsteen is coming to town and she must get tickets to see her favorite singer But what happens when the ticketing system goes down Will she be able to score the hottest tickets of the year One thing s for sure she s willing to risk it all to make it happen Follow Josie and her friends as they live their glory days in Waiting on Line
