ECSM 2018 5th European Conference on Social Media Prof. Vincent Cunnane, Dr. Niall Corcoran, 2018-06-21 These proceedings represent the work of researchers participating in the 5th European Conference on Social Media ECSM 2018 which is being hosted this year by Limerick Institute of Technology Ireland on 21-22 June 2018

Black Friday and Cyber Monday Guide HowExpert, Tammy Marshall, 2017-12-19 Have you ever wondered how to save during the holidays? Presents and pampering guests: there are all sorts of ways that you willingly spend during this season. The trick you may not know is that there are special days during the holiday season that you will save the most money. Stores know this; you can too. Our guide is designed to help you save your green during the festivities. You won't be a scrooge when you get your hands on the savings we've listed. In this book, you will find answers to the following questions: What is Black Friday and how do I get in on the savings? What is Cyber Monday and will it ever be Black Friday? What is Travel Tuesday? How do I stay safe online? Where are the best deals? What are some of the latest scams? Is Black Friday worth it? Is it better to shop online or in the store? What goods should I buy in the store? What should I buy online? How do I keep my bank account secure? What websites should I visit to help me find deals? What kind of mindset do I need to become a savvy shopper? Should I buy electronics online? About The Expert: Tammy Marshall is a savvy shopper. She's been one her entire life. She lives to save money. Her other passion is sharing how she finds new ways to save green. Tammy also deplores cyber crooks. Her mission is to uncover the latest scams so she can share them with you and help you protect your wallets. She's a professional journalist and has been writing for 20 years. When she isn't finding new ways to spend less, she is working on her family farm and growing her own veggies and displaying them at the county fair. She loves growing food like she loves to save dollars. For her, she doesn't just enjoy the thrill of shopping. She enjoys seeing prices drop while she fills her cart and her pantry at home. HowExpert publishes quick how-to guides on all topics from A to Z by everyday experts

Far-Right Extremism Online Tine Munk, 2024-06-14 By imparting crucial insights into the digital evolution of far-right extremism and its challenges, this book explores how far-right extremism has transformed, utilising digital spaces for communication and employing coded language to evade detection. Far-right extremism has spread extensively across online platforms. Flourishing within echo chambers, these groups propagate different types of online and offline actions and advance their hateful ideologies to a wide-ranging audience. This book highlights the issues surrounding far-right extremism, distinguishing it from terrorism and examining its contemporary digital manifestations. Importantly, it sheds light on how far-right groups utilise online platforms for communication, radicalisation, and on-ground actions, relying on alternative truths, misinformation, conspiracy theories, fashion, and memes to connect with like-minded individuals. The book also addresses content moderation challenges and the impact of rising populism in today's political climate, which fuels societal divisions and uncertainty. *Far-Right Extremism Online* is a valuable resource for academics, students, analysts, and professionals working in counter-extremism, cybersecurity, digital

communication and national security It is also an indispensable guide for those concerned about far right extremism in the digital age

Update Culture and the Afterlife of Digital Writing John R Gallagher, 2020-02-03 Update Culture and the Afterlife of Digital Writing explores neglected circulatory writing processes to better understand why and how digital writers compose revise and deliver arguments that undergo sometimes constant revision John R Gallagher also looks at how digital writers respond to comments develop a brand and evolve their arguments all post publication With the advent of easy to use websites ordinary people have become internet writers disseminating their texts to large audiences Social media sites enable writers audiences to communicate back to the them instantly and often Even professional writers work within interfaces that place comments adjacent to their text privileging the audience s voice Thus writers face the prospect of attending to their writing after they deliver their initial arguments Update Culture and the Afterlife of Digital Writing describes the conditions that encourage published texts to be revisited It demonstrates through forty case studies of Amazon reviewers redditors and established journalists how writers consider the timing attention and management of their writing under these ever evolving conditions Online culture from social media to blog posts requires a responsiveness to readers that is rarely duplicated in print and requires writers to consistently reread edit and update texts a process often invisible to readers This book takes questions of circulation online and shows via interviews with both writers and participatory audience members that writing studies must contend with writing s afterlife It will be of interest to researchers scholars and students of writing studies and the fields of rhetoric communication education technical communication digital writing and social media as well as all content creators interested in learning how to create more effective posts comments replies and reviews
