Hacking Work Bill Jensen, Josh Klein, 2010-09-23 Why work harder than you have to One manager kept his

senior execs happy by secretly hacking into the company's database to give them the reports they needed in one third of the time Hacking is a powerful solution to every stupid procedure tool rule and process we are forced to endure at the office Benevolent hackers are saving business from itself It would be so much easier to do great work if not for lingering bureaucracies outdated technologies and deeply irrational rules and procedures These things are killing us Frustrating Hell yes But take heart there's an army of heroes coming to the rescue Today's top performers are taking matters into their own hands bypassing sacred structures using forbidden tools and ignoring silly corporate edicts In other words they are hacking work to increase their efficiency and job satisfaction Consultant Bill Jensen teamed up with hacker Josh Klein to expose the cheat codes that enable people to work smarter instead of harder Once employees learn how to hack their work they accomplish more in less time They cut through red tape and circumvent stupid rules For instance Elizabeth's bosses wouldn't sign off on her plan to improve customer service So she made videotapes of customers complaining about what needed fixing and posted them on YouTube Within days public outcry forced senior management to reverse its decision Hacking Work reveals powerful technological and social hacks and shows readers how to apply them to sidestep bureaucratic boundaries and busywork It's about making the system work for you not the other way around so you can take control of your workload increase your productivity and help your company succeed in spite of itself

Google Apps: The Missing Manual Nancy Conner, 2008-05-27 Among its many amazing applications Google now has web based alternatives to many of the applications in Microsoft Office This comprehensive and easy to follow new book enables you to explore Google's new office applications in detail Once you do you'll be in good company more than 100 000 small businesses and some corporations are already looking to take advantage of these free Google offerings Google Apps The Missing Manual teaches you how to use three relatively new applications from Google Docs and Spreadsheets which provide many of the same core tools that you find in Word and Excel and Google Calendar and Gmail the applications that offer an alternative to Outlook This book demonstrates how these applications together can ease your ability to collaborate with others and allow you access to your documents mail and appointments from any computer at any location Of course as remarkable as these applications are Google's office suite is definitely a work in progress Navigating what you can and can't do and more importantly understanding how to do it isn't always easy And good luck finding enough help online Google Apps The Missing Manual is the one book you need to get the most out of this increasingly useful part of the Google empire This book Explains how to create save and share each of Google's web based office applications Offers separate sections for Docs and Spreadsheets Google Calendar and Gmail Demonstrates how to use these applications in conjunction with one another Gives you crystal clear and jargon free explanations that will satisfy users of all technical levels Many of you already use Gmail but do you know its full potential Do you know how you can increase its power by using Gmail with Docs and Spreadsheets and Google Calendar You'll find out with Google Apps The Missing Manual You'll also come to understand why large corporations such as General Electric and

Proctor Gamble are taking a long hard look at these applications *Namibia Telecom Laws and Regulations Handbook Volume 1 Strategic Information and Regulations* IBP, Inc.,2018-01-02 A cross between Michael Pollan s Food Rules and Adam Richman s Food vs Man Raw Extreme Manifesto is one man s journey into raw food extremism With sensible tips simple recipes rules and most importantly results Fred Ho s book tells you everything you need to know about going totally raw without spending all your money on expensive juicers or fancy groceries Driven by a desire to become healthier and solve a myriad of health issues Fred Ho begins his journey into raw food extremism overcoming his skepticism by resisting the psychological matrix of dependency and addiction to cooked and industrial food production by developing a small community circle of raw food enthusiasts Raw Fight Club seeking to solve a variety of ailments and maladies diabetes asthma hypertension obesity and even multiple sclerosis and cancer by opposing the hyper marketing of raw chic going raw is often affordable only to the affluent and by devising a raw food commitment that spends almost no money After just two weeks he feels extraordinary results Much more than twenty five original recipes and tips about going raw and staying raw this is an indispensable handbook for everyone who ever wondered if they have what it takes to change their lives and ultimately their society for the better In the author s own words about Raw Fight Club we make raw food dishes share ideas talk politics and come up with strategies to change the world
