Sports and Their Fans Kevin G. Quinn,2014-01-10 Though Americans spend more than 25 billion a year on sports and sporting events this book argues that the influence of sports on our lives is even more profound than this huge figure would seem to suggest Exploring such topics as the role of sports in the creation of mass culture cheating the abuse of illegal drugs the strange and fascinating role that numbers play in sporting events and the future of spectator sport this book surveys the outsized impact that sports have on American culture The author draws from new work in such fields as history economics politics sociology psychology and ethics to support his claims Instructors considering this book for use in a course may request an examination copy here [Amazin' Upset](#) John G. Robertson,Carl T. Madden,2021-07-09 In October 1969 the New York Mets stunned the sports world by defeating the heavily favored Baltimore Orioles in a memorable World Series Their five game triumph capped off a true Cinderella season when the woebegone National League franchise rose from laughingstock to popular champions The histories of both the Mets and Orioles are traced along with their paths to the climactic 69 Series A batter by batter recap of all five games gives a box seat view to a storied moment in baseball history

Baseball, Golf, Wars, Women & Puppies Buck Peden,2011-08-10 I started my autobiography Baseball Golf Wars Women Puppies with a grabber page from my first trip to the Vietnam War on board the USS PERKINS DD 877 Then I followed with a chronological rendition which covered a trip to the Korean War and another to Vietnam during my 20 years in the U S Navy on three other different naval vessels but began with the chronological format of a life of a river rat born somewhat infamously in 1932 on the banks of Memphis My life in sports approximately 16 years moonlighting as a photojournalist my college education followed by 12 years as executives with the Chicago White Sox 5 and Cubs 7 concluding with one of several ownerships of small companies rounded out my interesting career I originally planned to continue with my three trips to the Vietnam and Korean Wars including my injury and sad losses of shipmates and friends Then go to my childhood parenthood many exciting careers etc etc etc However it didnt take too long for me to decide the categories overlap in too many places Hence A few years later

Elvis Presley arrived on the planet and eventually became internationally famous there Memphis long known as the Home of the Blues was to become also famous as the home of the King of Rock n Roll My first high school Whitehaven is only a few blocks from Elvis Graceland And my Southside High bride and I began training our dancing shoes to the big bands of the 40s and peaked with the rocking and twisting of the 50s and 60s Although only a senior to be in high school the Korean War found me an early enlistee Why Because I was a youngster almost entering teenage during World War II Everything was thrilling about the big one for a boy that age All the toys were guns tanks jeeps warplanes etc The war movies were always exciting and in most cases the hero ended up with the female star As I was a young budding teenager females were becoming of more interest in my life I have never met any male whose sex life began earlier than mine older girls are great teachers Also the U S Navy aircraft pilots were my idols Landing airplanes on a sea going vessel was my kind of challenge I was so hooked that I joined the Navy to become a fighter pilot The recruiter was surprised at how I could identify all aircraft of nations involved in WWII I even memorized the horsepower of power plant s plus the cruising and maximum speed of each airplane My favorite was our Corsairs F4U a gull winged propeller fighter It never occurred to me until this moment recalling this tidbit but one of these planes almost killed me However the moonlighting working a civilian job at night on shore duty between these wars helped prepare me for my career highlight era in Major League Baseball There is no doubt about it my leash of life is anchored to the sportsworld My youth was playing or inventing sports orientated things It gave me a second glance by people in the sportswriting and sportscasting fields This all led to sports columnist and sports editor jobs in the newspaper business This along with learning the print business was not only a challenge which I always relished but was mucho fun The many hours and stress involved led to more and more alcohol Which definitely made a honky tonk man out of me where there is plenty of wine women and song The latter threesomes were like a personal little cloud that follows me throughout most of this autobiography I wasnt able to attend college fulltime until I finished my 20 years in the U S Navy Then finishing With Honors gave my mother extreme pride after her total education was a small 12 total students high school in sticks of Mississippi I had almost completed by Masters Degree and CA Lifetime Teachers Credential when I got into Major League Baseball and went to Chicago

Veterans Stadium Rich Westcott, 2005-10-02 Veterans Stadium was the outdoor sports and concert capital of Philadelphia from 1971 until its televised demolition in 2004 At its best The Vet spawned two of the greatest moments in the city s sports history Tug McGraw s 1980 strikeout of Willie Wilson to win the World Series and the Eagles thrashing of the Dallas Cowboys to clinch their first Super Bowl bid At its worst it saw fans pelt Santa Claus with snowballs and the opening of an in stadium branch of Philadelphia municipal court to deal with rowdy Eagles fans Part of a look alike generation of all purpose stadiums erected around the country the Vet took on its own personality over the years For all its deficiencies it left fans loving it in the way they loved their own families warts and all Almost 100 photographs and Rich Westcott s yarns make Veterans Stadium the one book that will help Philadelphians and Philadelphia visitors remember
