The Path of Return Trilogy: Jamayah: Adventures on the Path of Return, Collateral Karma, Letters from the Afterworld T. L. Orcutt, 2011-11 The Path of Return Trilogy is a remarkable literary contribution outside the commercial romance and detective formulas a raw tale painted with heartfelt humor which captures the innocence of imagination and the mystical forces that navigate life In the first novel Jamayah Adventures on the Path of Return baby boomer Bob Kramer arrives in mid life crisis with a job loss and recent divorce Jamayah an unlikely cosmopolitan guru mysteriously recruits Bob as an initiate on the Path of Return a fusion of wisdom traditions tempered toward paranormal mastery and cosmic awareness The progressively intense challenge is how Bob will reconcile his scientific skepticism in a mystical adventure that embraces a

strip bar and the horrors of war In the end Bob returns to ordinary life but feels detached alone and indifferent a malaise Jamayah reframes as having passed a sacred rite of passage The sequel Collateral Karma opens after Rickshaw Lubowski formerly Bob Kramer has ditched the Path of Return in search of more tangible things like sex occultism and sorcery As a result he becomes the target of a curse cast by the evil leader of a ceremonial cult who practices ritual sex and black magic Rickshaw s descent into the world of sensation and desire incurs mysterious nightmares all too real starting with the obsessively expected death of his new fianc Desperate he meets a blind fortuneteller who knows more about his destiny than anyone should and with whom he falls in love Only when he loses touch with reality does his mentor Jamayah appear Together they join forces with shamanic sorcerers to reverse the deadly curse The last novel in the series Letters from the Afterworld begins with Rickshaw reminiscing about his marriage to Crystal a year before Rickshaw attends a seance in Los Angeles conducted by a medium with a gift for automatic writing and receives a channeled letter for his friend Murdock Evidently Murdock is on a soul recall list for people whose souls prematurely inhabited their selected bodies Other friends of Rickshaw have dreams of the same recall letters and incur near fatal illnesses and accidents Jamayah distrusts the source of the afterworld letters and believes hybrid souls who formerly incarnated on an alien planet are exploiting humans for metabolic enzymes through enzymatic blood transfusions Stakes are raised when Rattlesnake Dan and Murdock are kidnapped and a ten year old boy is murdered Finally Rickshaw Jamayah SBL Weird Willie Raoul Juan Apollo and Billy the Kid mobilize the Cosmic Rangers with the pledge of liberty and justice for all

[Talking with Patients About the Personal](#)

Impact of Illness Leonore Buckley, Dennis J. Shale, 2018-04-19 This book explores the psychosocial impact of serious illness its effect on a person's identity and relationships and the doctor's role in counseling patients Even the most seasoned physician often feels inadequate when it comes to discussing the personal impact of disability and serious illness with patients It takes time attention and skill Most physicians who are good at this learn what to say from observations of physicians they respect and the conversations they share with patients over many years of practice Like everything else in medicine there is a continuous learning curve This book offers a beginning It includes first hand experiences and reflections on serious illness by physicians and patients concrete advice on how to initiate discussions of difficult psychosocial issues topics for organising discussion suggested readings and guides for patient interviews Much is written about patient centered care and the patient experience What sets this book apart is first Lenore Buckley's ability to tell stories about her own medical experience These teaching tales give young physicians a sense of the task that their profession requires of them while keeping that task within human proportions Second and complementing that is her excellent compilation of quotations and stories from the memoirs of patients and physicians especially physicians as patients I hope this empathic useful collection of materials for teaching and reflection finds its way into medical school curricula and I hope it is one of those books that physicians return to during years of practice especially when they sense that the treatment expert is crowding the witness out of the room Patients need both doctors Lenore Buckley shows how doctors are able to expect nothing less of themselves Arthur W Frank in the Foreword
