There's Something About Sweetie Sandhya Menon,2019-05-14 I m head over heels for this charming funny romantic life affirming book Becky Albertalli New York Times bestselling author of Simon vs the Homo Sapiens Agenda The irresistible companion novel to the New York Times bestseller When Dimple Met Rishi which follows

Rishi's brother Ashish and a confident self-proclaimed fat athlete named Sweetie as they both discover what love means to them. Ashish Patel didn't know love could be so sucky. After being dumped by his ex-girlfriend, his mojo goes AWOL. Even worse, his parents are annoyingly smugly confident they could find him a better match. So in a moment of weakness, Ash challenges them to set him up. The Patels insist that Ashish date an Indian American girl under contract. Per subclause 1, he'll be taking his date on fun excursions like visiting the Hindu temple and his eccentric Gita Auntie. Kill him now. How is this ever going to work? Sweetie Nair is many things: a formidable track athlete who can outrun most people in California, a loyal friend, a shower singing champion. Oh, and she's also fat. To Sweetie's traditional parents, this last detail is the kiss of death. Sweetie loves her parents but she's so tired of being told she's lacking because she's fat. She decides it's time to kick off the Sassy Sweetie Project where she'll show the world and herself what she's really made of. Ashish and Sweetie both have something to prove. But with each date, they realize there's an unexpected magic growing between them. Can they find their true selves without losing each other? A thoroughly delightful romance featuring a spirited confident and lovable heroine and an unexpectedly dashing romantic hero. Add to your must-read shelves. Melissa de la Cruz

On Being Human Jennifer Pastiloff, 2019-06-04 An inspirational memoir about how Jennifer Pastiloff's years of waitressing taught her to seek out unexpected beauty, how hearing loss taught her to listen fiercely, how being vulnerable allowed her to find love, and how imperfections can lead to a life full of wild happiness. Centered around the touchstone stories Jen tells in her popular workshops, *On Being Human* is the story of how a starved person grew into the exuberant woman she was meant to be all along by battling the demons within and winning. Jen did not intend to become a yoga teacher, but when she was given the opportunity to host her own retreats, she left her thirteen-year waitressing job and said yes despite crippling fears of her inexperience and her own potential. After years of feeling depressed, anxious, and hopeless in a life that seemed to have no escape, she healed her own heart by caring for others. She has learned to fiercely listen despite being nearly deaf to banish shame attached to a body mass index and to rebuild a family after the debilitating loss of her father when she was eight. Through her journey, Jen conveys the experience most of us are missing in our lives.

being heard and being told I got you Exuberant triumphantly messy and brave On Being Human is a celebration of happiness and self realization over darkness and doubt Her complicated yet imperfectly perfect life path is an inspiration to live outside the box and to reject the all too common belief of I am not enough Jen will help readers find accept and embrace their own vulnerability bravery and humanness **Rising Class** Jennifer Miller,2023-03-28 This eye opening YA narrative nonfiction follows three first generation college students as they navigate their first year and ultimately a global pandemic Making it through the first year of college is tough What makes it even tougher is being the first in your family to do so Who can you turn to when you need advice Rising Class follows three first generation freshmen Briani Conner and Jacklynn as they not only experience their first semester of college but the COVID 19 pandemic that turned their Spring semester upside down From life in the ivy league to classes at a community college this nonfiction book follows these students challenges successes and dreams as they tackle their first year of college and juggle responsibilities to their families back home Eye opening and poignant Jennifer Miller writes a narrative nonfiction story that speaks to new beginnings coming of age and perseverance
