48 Home Business Ideas Guide Manuela Willbold, Fernando Raymond, Introduction Your time is limited so don't waste it living someone else's life. Don't be trapped by dogma which is living with the results of other people's thinking. Don't let the noise of others' opinions drown out your own inner voice. And most important, have the courage to follow your heart and intuition. They somehow already know what you truly want to become. Everything else is secondary. Steve Jobs, Co-founder of Apple. Have you ever really taken the time to think about what you actually want out of your own life? It's not an easy task and many people don't make the effort as they probably feel it's not that important. But if you're in a place where you're questioning your lifestyle and what you do for a living, then this should be the first step you take to identify what you really want to spend the majority of your time doing. At ClickDo Ltd, a digital marketing SEO agency in London, the authors do what they love every single day and with this book, they want to provide you with inspiration to find something you can see yourself doing in the near future. Fernando Raymond, the CEO of ClickDo Ltd, and Manuela Willbold, blogger, senior content writer at ClickDo Ltd, have created this guide with a mission to show people that as the internet marketplace grows, there are almost endless work options online for anyone with any talent and skill. With the creative support and vision of ClickDo, senior web designer Kasun Sameera, this book has come to life. In 20 years, you will be more disappointed by what you didn't do than by what you did. Mark Twain, American writer. We've all gone through this same experience: we went to school, got a degree, and worked, but did we do what we felt passionate about? Fernando started ClickDo Ltd because he asked himself that exact question. His vision was to lead a free life where he could work from anywhere in the world. He identified his passion for SEO and digital marketing and set up ClickDo Ltd with only a few clients in the early days. Kasun joined him, and together they went on the journey of building many more online businesses like web hosting company SeekaHost. Manuela felt an emerging passion for writing while working as a teacher and found ClickDo while searching for WordPress Training to start her own blog. Now she writes content and manages various ClickDo blogs. If they can do it, so can you. *AI Monetization of your Faceless YouTube Channel* Raymond Wayne, 2023-10-19. Do you feel like you're falling behind in today's fast-paced YouTube culture? You've probably seen people's subscription counts explode, views stream in, and comments overflow their videos as they make thousands of dollars using the site. But here's the catch: A large portion of them aren't even speaking with their own voices or revealing their identities. This may seem paradoxical, especially if you've been led to believe that your unique voice and charisma are crucial to your success in the content creation industry. What if, however, we told you that you can build a successful YouTube channel even if you don't want to be the channel's face? Think of your YouTube experience if you didn't have to worry about being camera-shy, having the right lighting, or being the center of attention. The first ever faceless YouTube channel to be monetized by artificial intelligence. *AI Monetization of your Faceless YouTube Channel*. This powerful and useful manual will teach you.
