Blier-Carruthers,2025-04-21 *From Stage to Studio Performances versus Recordings in Classical Music* presents a cultural study of classical music making through the analysis of live and studio performances of orchestral and operatic repertoire conducted by Sir Charles Mackerras The close listening analysis is based on detailed research into Mackerras s private collection of over 600 reel to reel and cassette tapes containing recordings of over 1 000 live performances which he conducted between the 1950s and the late 1990s This is contextualized with evidence collected during ethnographic fieldwork observations presenting the opinions of Sir Charles orchestral musicians from major London orchestras and opera houses with whom he was working with during the first decade of the twenty first century Philharmonia Orchestra of the Age of Enlightenment Royal Opera House English National Opera and production team members working for recording industry leaders such as Decca EMI and Chandos This ethnography of classical music making gives a voice to performers and music professionals brings to light some important and heretofore hidden issues and explores a fascinating time of intense change in the recording industry Including consideration of ways forward for performance education and recording this book is relevant to specialist practitioners as well as music enthusiasts interested in concert life and recording studio habits professional performers recordists music students educators and scholars interested in classical music *Hotels* ,2004-07

To Be or Not to Be a Financial Controller in Hospitality Industry Charlie Lim,2015-11-30 Finance or management students should read this book in order to gain valuable insight into the exciting yet demanding working life in hospitality industry The jump start pointers as highlighted in this book will save you many months and years in moving up the ladder from finance staff to full fledged Financial Controller Learn from someone who has moved from audit articulated clerk to Director of Finance attached to a five star international chain hotel *From Johnson's Kids to Lemonade* Opera Victoria Etnier Villamil,2004 American baritone Lawrence Tibbett created an overnight sensation at the Metropolitan Opera in 1925 when the audience stopped the performance of Falstaff to honor their compatriot for his exceptional talent Tibbett s now legendary curtain call foreshadowed a startling new era for classically trained native singers who rarely received the public recognition or respect given to their European colleagues In this absorbing work Victoria Etnier Villamil chronicles the extraordinary time from 1935 to 1950 when American artists who felt intensely inferior to foreign performers journeyed from being unappreciated in their own country to standing without apology on stages at home and abroad Drawing on exhaustive primary research and extensive interviews Villamil tells the remarkable story of a generation of American opera singers whose profession image and art were forever altered by the upheavals of World War II as well as sweeping cultural and technological changes The author s in depth look at these breakthrough years explores such defining factors as Edward Johnson s drive to Americanize the Met in his first seasons as general manager the impact of the microphone on singers and singing styles and the importance of radio and motion pictures in introducing classical music voices to wider audiences Villamil also considers how travel restrictions imposed on European artists during the war unlocked opportunities for

American artists and the role of political and Jewish refugees in enriching music education and training in this country In addition the author discusses thoroughly the founding of the New York City Opera the rise of regional and smaller opera companies including the enterprising and popular Lemonade Opera and advancements for African American classical singers Brimming with entertaining anecdotes and colorful figures both famous and little remembered the fascinating book concludes with an examination of this crucial period s legacy for the American classical music scene in the 1950s and beyond From Johnson s Kids to Lemonade Opera contains an invaluable appendix that provides biographical sketches of the over 250 opera and radio singers as well as art song specialists featured in this illuminating study
