From Cloister To Commons Richard Devine,Joseph A. Favazza,F. Michael McLain,2023-07-03 This volume like its series companions goes beyond simple how to to discuss the implementation of service learning within religious studies and what that discipline contributes to the pedagogy of service learning The volume contains both theoretical and pedagogical essays by scholar teachers in religious studies education plus a resource guide

Monthly Catalogue, United States Public Documents ,1985

Understanding and Responding to the Experience of Disability Jill Porter,2014-08-13 Understanding and Responding to the Experience of Disability informs readers about current understandings of disability and ways of recognizing the needs that arise from the lived experience of impairment in schools While most schools have clear procedures in place with respect to identifying children with special educational needs the same is not true for disability Moreover research suggests that many schools have restricted understanding of this distinction often equating disability to children with SEN and children with health conditions thereby failing to recognize the pivotal role of impact In this insightful text Jill Porter argues that disability needs to be understood within the setting in which it is experienced thereby recognizing that it is not a fixed attributable label but one that is cultural contextual and fluid By providing a theoretical basis for understandings of disability around notions of impairment experience and impact the book combines three key components a conceptual understanding of disability to provide a clear value driven framework for professional responses an empirical illustration of the development of materials to support an understanding of why the process of disability data collection cannot simply be reduced to two questions on a form embedded illustrative case study material to provide exemplars of how the materials can be contextualized and used to make adjustments to enhance the participation of all children

Treatment Planning for Psychotherapists Richard B. Makover,2016-02-16 Previous editions of Dr Richard B Makover s popular handbook Treatment Planning for Psychotherapists shed light on this all too often neglected element of psychotherapy while squarely establishing themselves as the go to references on the topic Drawing on the author s years of experience and with engaging and memorable clinical examples the book presents a top down outcome based approach to treatment planning that emphasizes the importance of the initial interview and assessment to the planning process while providing practical advice for enhancing patient collaboration and reducing drop out rates This

revised edition of the guide has been updated to reflect important changes in mental health delivery systems and funding relevant to treatment providers as well as the challenges and opportunities posed by the digital revolution It is also more readable than ever bullet points and chapter end summaries distill points of emphasis helping readers take in and reference information easily and effectively This third edition also features An amplified chapter on assessment that explains how this crucial step should inform case formulation and as a result treatment planning An expanded chapter on the challenges of treating patients struggling with cognitive impairment addiction and psychoses among other issues ensuring that readers are equipped to handle a wide range of scenarios A new simplified approach to the often overlooked but crucial step of formulation Suggested readings that will provide therapists with a comprehensive view of psychotherapy in general and treatment planning in particular The framework and methods offered in this edition of Treatment Planning for Psychotherapists make it an invaluable resource for clinical psychiatrists and psychologists psychiatric nurse practitioners psychiatric residents clinical social workers in short anyone engaged in the challenging but necessary work of helping patients address and overcome their dysfunction
