Political Marketing in the 2024 U.S. Presidential Election Jamie Gillies, 2025-09-30

This book focuses on the spectacle of the 2024 U.S. presidential election from the return of Donald Trump and the decision by Joe Biden to drop out of the presidential race and endorse Kamala Harris as the Democratic presidential nominee to the campaign sprint culminating in Trump's win in November

A follow up to *Political Marketing in the 2020 U.S. Presidential Election* it uniquely focuses on political marketing and branding strategies with particular attention to how changes since the last election especially new technologies and media platforms have emerged as branding and marketing outlets for both campaigns

This election was again as much about a continuous strategy of targeting and maintaining voter enthusiasm as it was about swaying undecided voters as both campaigns tried to engage different parts of the electorate

Every American presidential election tends to herald in new political branding and marketing strategies

This book presents diverse scholarly research and perspectives with practitioner relevant content that will advance current understandings of political marketing and branding theories

TikTok D. Bondy Valdovinos Kaye, Jing Zeng, Patrik Wikstrom, 2022-06-16

Since its acquisition and rebranding in 2018 TikTok has become one of the fastest growing platforms in the world

Moreover it's the first Chinese developed platform to find mainstream international success carving its own niche in the global short video industry

In the first comprehensive exploration of TikTok Kaye Zeng and Wikström provide a history of the emergent genre of short video and situate the platform within the cultures and controversies that have accompanied its dramatic growth

They provide an extensive overview of TikTok's functions and uses the diverse markets in which the platform operates and the issues of governance that have impacted its expansion

Once thought to be just for kids the authors illustrate how TikTok is further transforming platform cultures and the dynamics of broader creative industries

TikTok the authors argue represents an evolutionary step in the way culture is produced and consumed on digital platforms

This timely book is essential reading for students and scholars in media and communication

studies and for anyone who has been captivated by the global growth of TikTok and short video
