Media Libraries in an Age of Unending Consumption Mike Van Esler, 2023-10-24 As the home video market upended traditional film industry models media libraries emerged as important sources of ancillary revenue The inflection point for media library exploitation came in 2007 when Netflix launched its streaming service relying on extensive licensing of film and television libraries to grow its subscriber base In this book Mike Van Esler examines how media libraries and business models have evolved since the home video era with particular emphasis placed on the streaming age of the past fifteen years Van Esler argues that media libraries have grown beyond their usages from the pre home video era to become central to today's corporate media strategy By studying the ways in which media library exploitation has scaled up since the turn of the new millennium the author identifies insights into larger media industry trends Ultimately this book explores the intersection of corporate media independent distributors private equity tech companies and audiences Scholars of media studies business and sociology will find this book of particular interest

Analyse, Ideate and Grow Vanessa Ratten, 2022-04-27 This book explores that in order to survive in the current dynamic and changing business environment individuals need to analyse and ideate This book provides analysis on this process involving investigating how and why changes take place and what they mean for society This book takes into account altering environmental conditions that influence business strategy Further to do a proper analysis takes time and skill thus it is important to know what resources and expertise is required This book shows that the ideation process involves more creativity in terms of thinking outside the box This involves new thought processes about emerging technological change that will influence business directions This book states that ideation is a process that requires some degree of flexibility as market circumstances mean constant innovation is required

How Do I Do That in My Tesla? Scott Kelby, Terry White, 2025-03-11 The unofficial manual that should have come with your car Become a Tesla pro in no time with over 250 Tesla tips and tricks to get the most out of your electric vehicle Scott Kelby and Terry White both renowned tech experts long time Tesla owners and bestselling authors have teamed up to create an entirely new concept for learning about your Tesla a simple guide designed to get you straight to whatever it is you need to know about your Tesla right now provide quick answers and get you back to enjoying your awesome car Teslas are tech cars with so many remarkable features but a bunch of them are kind of buried

you'd swear some are almost hidden by design and a lot of them just aren't obvious. There will be times when you need to do something in your Tesla right now but you're not sure where that feature is, what the secret handshake is to uncover it, or if that feature even exists in the first place. That's why this book was created to get you to the feature or the right button or exactly the right setting you need right now. Here's how the book works: When you need to know how to do a particular thing, you turn to the relevant chapter: Charging, Navigation, Autopilot, etc. Each page covers just one topic, and Scott and Terry show you exactly how to do it as if they were sitting right there in the car beside you, using the same casual writing style as if they were talking to a friend. You're going to learn so much about your Tesla and you'll uncover lots of cool features you might have missed otherwise. This isn't a book of confusing jargon; only car nerds can understand. This is a practical guide that tells you where the thing you're looking for is, which settings we recommend, and exactly how and when to use them, so you're never stuck wondering how to do something in your Tesla again. This will be your go-to resource for learning everything you need to know about your Tesla and uncovering cool new features you didn't know were there, and there are a ton of them. You're going to love having this type of help right at your fingertips. There's even a bonus chapter on how to deal with the electric vehicle haters and naysayers they're out there and you'll run into some, but at least now you'll be ready for them. Whether you're a new Tesla driver or you've had one for a while now and you're looking to make the most of it, keep a copy in your glove box or the eBook version on your phone so Scott's and Terry's super helpful tips are right there when you need them.

Debuting in 2019, Disney quickly became one of the most popular streaming services worldwide. With hubs for Disney, Pixar, Marvel, Star Wars, and National Geographic, Disney not only provides vault content from these brands but also original films and television programming such as *High School Musical: The Musical: The Series*, *The Mandalorian*, *The Mighty Ducks*, *Game Changers*, *Andor*, and *The Imagineering Story*. This collection of essays examines a variety of Disney exclusive content, exploring themes such as nostalgia, identity, representation, and lived experience. Designed to appeal to both academics and the average Disney fan, it attempts to answer the question of whether its original streaming content is a plus or minus for the Mouse House.
