Waking Up Slowly Dave Burchett, 2017-03-07 What if we are stubbing our toes on the sacred every day and not realizing it We are the most connected culture in history but arguably the most disconnected from the awareness of God's presence Waking Up

Slowly is author Dave Burchett's personal challenge to live in the moment and find the everyday joys he misses in disconnected busyness. What moments of joy do we inadvertently miss as we stare at our screens? What performance idols destroy our ability to appreciate God's gifts? Dave Burchett sets out to find out how life might look differently if he awoke each morning consciously looking for the easy-to-miss postcards from God. *Waking Up Slowly* is an intimate, warm, and touching story of discovering how to more fully appreciate living in the moment. During his discovery, the author finds regular reminders of daily joys from his Labrador pal Maggie. *Waking Up Slowly* challenges the reader to recognize, appreciate, and celebrate the ways that God reveals himself daily. Through regular people, everyday situations, cuddly creatures, and stunning nature, God's presence is real and discoverable. We just need to wake up to it. — *Women, Politics, and Democracy in Latin America*

Tomáš Došek, Flavia Freidenberg, Mariana Caminotti, Betilde Muñoz-Pogossian, 2017-01-04. This book discusses the current tendencies in women's representation and their role in politics in Latin American countries from three different perspectives. Firstly, the authors examine cultural, political, partisan, and organizational obstacles that women face in and outside institutions. Secondly, the book explores barriers in political reality such as gender legislation, implementation, public administration, and international cooperation, and proposes solutions supported by successful experiences, emphasising the nonlinearity of the implementation process. Thirdly, the authors highlight the role of women in politics at the subnational level. The book combines academic expertise in various disciplines with contributions from practitioners within national and international institutions to broaden the reader's understanding of women in Latin American politics. — **Zodiac**

Connections Alise Morales, 2023-03-21. This entertaining and insightful guide will help you discover how people born under each star sign interact with one another. *Zodiac Connections* will not only teach you more about your star sign; it will show you what makes your friends and family tick. Easy-to-digest lists of each sign's attributes make understanding others' motivations and desires as easy as possible. If you're looking to find your way into a Leo's heart, wondering what your Aquarian friend will get you for your birthday, or want to know a Scorpio's pet peeve, this book has what you need. The bite-size lists provide an insightful look at how the signs relate to each other so that readers can relate better to the people around them. — **Facebook, Twitter, & Instagram For Seniors For Dummies**
