Hi Karen Barnes,

I saw that Studio Z has an open remote position for a web designer and I'd like to pitch my services. For the past 5 years, I've been working as a remote UX/UI designer for an e-commerce fashion retailer and also did several freelance web design projects on the side for CPG companies.

I believe I would be a strong fit for Studio Z as I:

- Helped a fashion retailer improve its CRO rate on key landing pages by 15% after the redesign.
- Have a strong familiarity with InVision, UXPin, User Testing, Optimizely.
- Can organize and conduct user research sessions and focus groups.
- Also, I have strong copywriting skills, so that I can also take on UX writing projects.

My clients have frequently praised me for my communication skills, particularly my ability to easily explain technical concepts to non-technical users. I am very proud to say that I have a 95% customer satisfaction rating among my freelance clients. You can review my full design portfolio at [Portfolio Link] and see testimonials on my LinkedIn.

My schedule is open until mid-June. I look forward to the opportunity to meet you.

Best,

Shannon Ninja
