Hayward, 2009-06-09 The Age of Reagan brings to life the tumultuous decade and a half that preceded Ronald Reagan's ascent to the White House Drawing on scores of interviews and years of research Steven F. Hayward takes us on an engrossing journey through the most politically divisive years the United States has had to endure since the decade before the Civil War Hayward captures an America at war with itself and an era whose reverberations we feel to this very day He brings new insight into the profound failure of Lyndon Johnson's Great Society the oddly liberal nature of Richard Nixon's administration the significance of Reagan's years as California's governor the sudden death drama of his near defeat of Gerald Ford in the 1976 Republican primary the listlessness of Jimmy Carter's leadership and the political earthquake that was Reagan's victorious presidential campaign in 1980 Provocative authoritative and majestic in scope The Age of Reagan is an unforgettable account of the rebirth and triumph of the American spirit *Your Federal Income Tax for Individuals*, 1984 **The Code of Federal Regulations of the United States of America Having General Applicability and Legal Effect in Force June 1, 1938**, 1939 The Code of federal regulations is the codification of the general and permanent rules published in the Federal register by the executive departments and agencies of the federal government **United States Customs Court Reports** United States.
