**TikTok Algorithms 2025** Jordan Smith, 2022-05-05 TikTok is a highly creative platform and it definitely rewards those who often create and post. It's ideal two to three times a day if you really want to gain popularity on TikTok; you won't cut it once a week. So in just two months, I've gone from zero to 10K followers. Sharn Rayment, multimedia freelance producer. You definitely have to embrace and commit to using TikTok to the fullest extent possible to create a content backlog for the for you page. As for younger and older generations, TikTok has democratized creativity and social media. The app has the highest rate of follower engagement across 100,000 user profiles sampled in an Influencer Marketing Hub online research project. If marketers merely consider it as a dancing device and don't change their approach to include TikTok content, they'll be really bitter in a couple of years. Watching Instagram influencers repurpose Instagram content to TikTok at the start of lockdown shows the polished advertising on this site doesn't wash. We always noticed when Instagram stories came up, there was a trend for shorter, more digestible content. Yet TikTok proves that users can return for more when you get the form of content right. According to official figures from TikTok, its customers remain faithful and are starting to return to the app. In fact, 90% of users use the app several times a day. Overall, TikTok is asking us to reconsider the way our content is strategized. I do hope these tips give you some ideas on how to handle TikTok and the way you prepare and create your content in general.

**Creative Economy Encouraging Innovation and Sustainability** This edition aims to explore the intersection between the Sustainable Development Goals (SDGs) and the creative economy emphasizing the importance of fostering innovation and sustainability. The conference provides a platform for academics, researchers, policymakers, industry professionals, and stakeholders to gather and exchange knowledge, ideas, and experiences regarding the transformative power of the creative economy in achieving the SDGs. By examining the dynamic relationship between creativity, innovation, and sustainable development, this edition aims to generate valuable insights and practical solutions to address the pressing global challenges we face today. Throughout this conference, participants will have the opportunity to delve into various topics related to the creative economy and its potential to contribute to the SDGs. We will explore how creative industries can drive economic growth, promote social inclusivity, preserve cultural heritage, and protect the environment. Moreover, we will investigate innovative approaches, best practices, and emerging trends that can enhance the creative economy's impact on sustainable development. By gathering experts and practitioners from diverse fields, we aim to foster interdisciplinary dialogue and collaboration, ultimately inspiring new ideas, strategies, and policies that can foster a more sustainable and inclusive future. Together, we can harness the power of the creative economy to propel transformative change, aligning our efforts with the global agenda of achieving the SDGs. We extend our heartfelt appreciation to all participants, sponsors, and organizers for their commitment to advancing the discourse on the creative economy and sustainable development. Let us embark on this journey of exploration, innovation, and collaboration as we work towards a better and more sustainable future for all.
