**One New People** Manuel Ortiz, 1996-08-19 Manuel Ortiz urges us not just to put aside our differences but to celebrate and embrace them to use them in a way that draws us closer to each other and closer to God *Solving the Immigrant Church Crisis* Ronald M. Rothenberg, 2016-08 Solving the Immigrant Church Crisis The Biblical Solution of Parallel Ministry Acts 6:1-7 addresses the crisis of the immigrant church in which complex cultural and linguistic factors create a reticence on the part of immigrants to transfer financial and decision making authority to succeeding generations and this results in a culturally irrelevant ministry to those generations an exodus of believers from the church a spiritually immature remnant and an inability to reach the lost The thesis of this book is that parallel ministry based on Acts 6:1-7 is the biblical solution to the crisis in the immigrant church While there are at least two main aspects of this crisis a spiritual relational and an ecclesiastical aspect this book focuses on the ecclesiastical aspect of defining the biblical structure of church government Specifically this book is for immigrant churches primarily in the United States and offers them a biblical and practical solution to the problem plaguing them for over two centuries of how to minister effectively to the succeeding generations

**Church Planting** Ken L. Davis, 2023-07-28 Church planting is one of the most challenging yet rewarding adventures you can embark on Often zealous planters and their teams launch their new church prematurely without taking time to lay a firm foundation for long term fruitful ministry Failure to do so often results in a weakened new church or even the new church closing after a few years Rather than focusing on methodology the how to's of church planting this book gives attention to six

foundational concerns wise planters will need to nail down before they ever plant Biblical foundations Theological foundations Ecclesiological foundations Missiological foundations Spiritual foundations Practical foundations Although helpful for a wide range of planting leaders this book is particularly written for four specific groups those who feel called to plant and are making preparations their planting teammates and launch leaders those exploring church planting those who coach and train church planters Foundations for Fruitful Church Planting serves as a comprehensive resource that will guide you to think strategically plan carefully and prepare thoroughly to birth a healthy growing and reproducing congregation Each chapter includes recommended resources discussion questions and follow through exercises **The Reconciler**, 1996

*Medium Or Message?* Anya Woods, 2004 What is the role of language in ethnic churches This new and much needed account of the Australian experience examines the issues faced by sixteen congregations together representing different periods of Australia's migration history as well as different languages cultural backgrounds and Christian denominations It brings to light a large range of experiences found in ethnic churches and considers the impact of Protestant Catholic and Orthodox traditions on the role of language Special reference is made to the tensions that can occur due to language shift and cross generational differences in language preference The concept of language religion ideology is developed to describe the nature of the relationship between language and religion which is exhibited by a denomination with far reaching implications for multilingual and multicultural societies **Journal of Asian and Asian American Theology**, 2001

**Paradigms from Luke-Acts for Multicultural Communities** Richard B. Harms, 2001 This book proposes a theology of mission that is simultaneously Evangelical Catholic and Liberationist The biblical foundation is Luke Acts and the context is the church in California The focus is on mission and ministry with the fastest growing ethnic cultural minority population Latino Latina Although there is a historical research basis for this book the emphasis is on the current practice and future praxis First century Lukan paradigms lead to a proclamation based on service and salvation The Good News is for the poor and for every nation under Heaven The Lighthouse Movement Handbook, 1999 This book is a complete tool kit on how Christians can be lighthouses to their neighbors and reach them with the gospel It includes thirty five chapters each written by a leader in his or her field

**Divisive Ethnicity in the Church in Africa** Barje S. Maigadi, 2006 Churches Starting Churches Bill M. Sullivan, 2001 Global Mission on Our Doorstep Thorsten Prill, 2008 **Bridging Boundaries**

Kenneth G. Davis, Yolanda Tarango, 2000 This Book Examines the theological implications of the Hispanic *sensus fidelium* as expressed in religion popular seeing it as a consensus that needs to be fully accepted for itself by the official church It plays a double role as both a vehicle for the Christian faith in Hispanic communities and as praxis that helps Hispanics hold on to one of the key elements of their identity namely the Christian Religion It also examines the implications of diversity among Hispanics in the United States There are two reasons why this immigration is different from those of the past it brings a

constantly renewing flow of immigrants from Latin America and the Caribbean and it is richly diverse with its differences and likenesses Only when the religious traditions of these immigrants and their diversity are truly embraced by the church will it truly become a key element in American Hispanic culture So one of the key objects of this thorough pastoral study of American Hispanics is to try to build better bridges of communication over the boundaries that separate culture generation ethnicity language acculturation gender race and religion     *Subject Guide to Books in Print* ,2001     **The Cumulative Book Index** ,1997 A world list of books in the English language     **American Book Publishing Record** ,1996     Growing Healthy Asian American Churches Peter Cha,S.
