The Collocational Behavior of Anglicisms in German and American Business and News Magazines Julia Sosnizka,2014-05-27 In her dissertation Julia Sosnizka deals with the question whether and to what extent the collocational behavior of written Anglicisms in German resembles the collocational behavior of these word forms in the source language American English The study is empirically based on the 2008 volumes of the business magazines BusinessWeek and WirtschaftsWoche and the news magazines Newsweek and Der Spiegel This selection allows also for statements about differences between the thematically specialized corpora and those that are closer to general language use In total the

research corpora comprise over nine million words The study is inspired by the observation that Anglicisms are not only transferred as isolated word forms from English to German but that instead they may be borrowed along with their collocates The author provides a broad overview on collocations which is treated very differently in the literature In addition to the corpus linguistic approach she also discusses psycholinguistic and semantic models of collocations The understanding of collocations for the present study is based on the statistically significant co occurrence of lexical word forms The dissertation may be seen as a contribution to contrastive corpus linguistics collocation and genre research In ihrer Dissertation beschäftigt sich Julia Sosnizka mit der Frage ob und inwieweit das Kollokationsverhalten von geschriebenen Anglizismen im Deutschen dem Kollokationsverhalten dieser Wortformen in der Ursprungssprache amerikanisches Englisch entspricht Als empirische Grundlage dienen die Jahrgänge 2008 der Nachrichtenmagazine Newsweek und Der Spiegel sowie der Wirtschaftsmagazine BusinessWeek und WirtschaftsWoche mit insgesamt neun Millionen Wörtern Diese Auswahl ermöglicht gleichzeitig Aussagen über Unterschiede zwischen thematisch spezialisierten Korpora und solchen die näher an der Allgemeinsprache sind Die Arbeit ist inspiriert durch die Beobachtung dass nicht nur Wortformen aus dem Englischen ins Deutsche übernommen werden sondern auch deren Kollokate Die Autorin gibt in der Arbeit einen umfassenden Überblick zum Thema Kollokationen welches in der Literatur sehr unterschiedlich behandelt wird Neben dem korpuslinguistischen Ansatz erweitert sie auch psycholinguistische und semantische Erklärungsmodelle für Kollokationen Das Verständnis von Kollokationen für die vorliegende Arbeit beruht auf statistisch signifikanter Konkurrenz von lexikalischen Wortformen Die Dissertation ist somit als ein Beitrag zur kontrastiven Korpuslinguistik Kollokations und Genreforschung zu sehen **PC Mag** ,2004-01-20 PCMag.com is a leading authority on technology delivering Labs based independent reviews of the latest products and services Our expert industry analysis and practical solutions help you make better buying decisions and get more from technology State Magazine ,2014-04 **More Than Enough** Elaine Welteroth,2019-06-13 INSTANT NEW YORK TIMES BESTSELLER WINNER OF THE 2020 NAACP IMAGE AWARD FOR OUTSTANDING LITERARY WORK BIOGRAPHY AUTOBIOGRAPHY In this part manifesto part memoir the revolutionary editor who infused social consciousness into the pages of Teen Vogue explores what it means to come into your own on your own terms Elaine Welteroth has climbed the ranks of media and fashion shattering ceilings along the way In this riveting and timely memoir the groundbreaking editor unpacks lessons on race identity and success through her own journey from navigating her way as the unstoppable child of an unlikely interracial marriage in small town California to finding herself on the frontlines of a modern movement for the next generation of change makers Welteroth moves beyond the headlines and highlights to share the profound lessons and struggles of being a barrier breaker across so many intersections As a young boss and the only black woman in the room she's had enough of the world telling her and all women they're not enough As she learns to rely on herself by looking both inward and upward we're ultimately reminded that we're more than enough American Directory of Writer's Guidelines
