Writing Spaces 2 Charles Lowe, Pavel Zemliansky, 2011-01-04 Volumes in WRITING SPACES READINGS ON WRITING offer multiple perspectives on a wide range of topics about writing In each chapter authors present their unique views insights and strategies for writing by addressing the undergraduate reader directly Drawing on their own experiences these teachers as writers invite students to join in the

larger conversation about the craft of writing. Consequently each essay functions as a standalone text that can easily complement other selected readings in writing or writing intensive courses across the disciplines at any level. Volume 2 continues the tradition of the previous volume with topics such as the rhetorical situation, collaboration, documentation styles, weblogs, invention, writing assignment interpretation, reading critically, information literacy, ethnography, interviewing, argument, document design, and source integration.

One Hundred Great Essays Robert DiYanni, 2014-10-14. One Hundred Great Essays collects one hundred of the most teachable and rewarding essays used in today's college composition class. The anthology combines classic commonly taught essays with frequently anthologized contemporary essays by today's most highly regarded writers. The selections are broadly diverse in both subject matter and authorship. Essays have been selected as both models for good writing and useful springboards for student writing. An introductory section discusses the qualities of the essay form and offers instruction on how to read essays critically and shows students how to use the writing process to develop their own essays.

Goof-Proof College Admissions Essays Lauren B. Starkey, 2003. With more qualified students than ever, competition for top notch colleges is at an all time high. In addition to impeccable grades and high test scores, students need to write an intelligent, concise essay to gain admission. It's vital to get the tools and strategies necessary for crafting a winning essay. Learn the goof proof way to write specific types of essays along with rules, tips, and do's and don'ts.

Discovery William J. Kelly, Deborah L. Lawton, 2003-07. The first in a series of two full color worktexts for the developmental writing market. Discovery focuses on helping students build better sentence and paragraph writing skills. With its encouraging tone, careful explanations, and abundance of precisely sequenced and incrementally challenging exercise sets, Discovery enables students to view writing as a means of discovering more about themselves and their surroundings. The book starts with an overview of the writing process and special attention is given to prewriting and the development of topic and supporting sentences. Parts 2 through 5 provide lucid and well illustrated explanations of basic sentence elements, grammar, punctuation, and mechanics. Part 6 is a section of student and professional reading selections which include an introduction on critical reading and comprehension and contain numerous writing exercises. An appendix provides practical advice for ESL writers studying English grammar and writing. For anyone interested in improving basic writing skills.

Reading Student Writing Lad Tobin, 2004. Lad Tobin gets to the heart of teaching writing through a blend of humor, memoir, reflection, classroom examples, and student writing.

The Reading Context Dorothy U. Seyler, 2003-07. The Reading Context provides extensive reading skills practice at a new value price of under \$25. Designed for developmental reading courses, Grades 9-12. The Reading Context emphasizes reading as a three step process: prepare, read, respond. The book starts where developing readers need to start with an explanation of the context created by author, work, and reader. It also stresses the importance of thinking about who the writer is, what the author's purpose is, what kind of work students are about to read, and what they can expect to gain from it. Reading selections have been chosen to hold student interest while

representing the kinds of material they will meet in college assignments textbook material from business to psychology from advertising to history from health to education Chapters are filled with short prose pieces for illustration and practice and each chapter concludes with two or three longer reading selections In each chapter clear explanations of each reading skill are supported by numerous exercises

Culture and Context W. David Hall, 2004 Culture in Context is a three in one reader rhetoric handbook that teaches essay writing through meaningful connections to popular culture and college life Chapters in the rhetoric portion cover the writing process Ready Write Revise writing strategies narrative process description persuasion exemplification illustration comparison contrast and cause effect essay tests and business writing A professional reading opens each chapter after which readers are guided through the writing process and writing strategies via exercises and worksheets focusing on brainstorming development and organization Samples are used throughout the book to illustrate different approaches to each topic Chapters also include sections on collaborative writing writing with computers and other writing tips Summaries and responses to reading exercises end each chapter The grammar and mechanics handbook has explanations and exercises covering the basics as well as editing proofreading and advice on improving vocabulary and word choice For those interested in developing their writing skills at the essay level

Connections Tammy Boeck, Megan C. Rainey, 2003-08 The middle level book in a three book series Connections helps developing writers make the connections between reading writing and critical thinking Not a traditional workbook Connectionstake a top down approach to writing instruction The text moves beyond traditional sentence and paragraph exercises offering a wide variety of activities and opportunities for journaling supplemental readings quick reference guides and unique step by step writing assignments Connections guides developmental writers gently through every stage of the writing process For anyone interesting in developing writing skills
