One Irish Summer Classic Reprint:

One Irish Summer William Eleroy Curtis, 2020-09-28 For those who have never spent a summer in Ireland there remains a delightful experience for no country is more attractive unless it be Japan and no people are more genial or charming or courteous in their reception of a stranger or more cordial in their hospitality The American tourist usually lands at Queenstown runs up to Cork rides out to Blarney Castle in a jaunting car and across to Killarney with a crowd of other tourists on the top of a big coach then rushes up to Dublin spends a lot of money at the poplin and lace stores takes a train for Belfast glances at the Giant's Causeway and then hurries across St George's Channel for London and the Continent Hundreds of Americans do this each year and write home rhapsodies about the beauty of Ireland But they have not seen Ireland No one can see Ireland in less than three months for some of the counties are as different as Massachusetts and Alabama Six weeks is scarcely long enough to visit the most interesting places The railway accommodations the coaches the steamers and other facilities for travel are as perfect as those of Switzerland The hotels are not so good and there will be a few discomforts here and there to those who are accustomed to the luxuries of London and Paris but they can be endured without ruffling the temper simply by thinking of the manifold enjoyments that no other country can produce And Ireland is particularly interesting just now because of the mighty forces that are engaged in the redemption of the people from the poverty and the wretchedness in which a large proportion of them have been submerged for generations No government ever did so much for the material welfare of its subjects as Great Britain is now doing for Ireland and the improvement in the condition of affairs during the last few years has been extraordinary In order to observe and describe this economic evolution the author spent the summer of 1908 visiting various parts of the island and has endeavored to narrate truthfully what he saw and heard This volume contains the greater part of a series of letters written for The Chicago Record Herald and also published in The Evening Star of Washington The Times of St Louis and other American papers By permission of Mr Frank B Noyes editor and publisher of The Chicago Record Herald and to gratify many readers who have asked for them they are herewith presented in permanent form [One Irish Summer \(Classic Reprint\)](#) William Eleroy Curtis, 2015-07-07 Excerpt from One Irish Summer About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works [Irish Masculinity on Screen](#) Joseph Paul Moser, 2013-07-08 Examining images of gender and violence this book analyzes selected works of three influential artists of the Irish cinema Ford Sheridan and Greengrass whose careers taken together span the period from 1939 to the present These three explore fundamental

questions about identity patriarchy and violence within Irish and Irish American contexts and in the process upset conventional notions of masculine authority Furthermore Ford s later films interestingly depart from the egalitarian ideals that distinguish his pre World War II films

Classics and Irish Politics, 1916-2016 Isabelle Torrance, Donncha O'Rourke, 2020-10-28 This collection addresses how models from ancient Greece and Rome have permeated Irish political discourse in the century since 1916 The 1916 Easter Rising when Irish nationalists rose up against British imperial forces became almost instantly mythologized in Irish political memory as a turning point in the nation s history that paved the way for Irish independence Its centenary has provided a natural point for reflection on Irish politics and this volume highlights an unexplored element in Irish political discourse namely its frequent reliance on reference to and tensions with classical Greek and Roman models Topics covered include the reception and rejection of classical culture in Ireland the politics of Irish language engagement with Greek and Roman models the intersection of Irish literature with scholarship in Classics and Celtic Studies the use of classical referents to articulate political inequalities across gender sexual and class hierarchies meditations on the Northern Irish conflict through classical literature and the political implications of neoclassical material culture in Irish society As the only country colonized by Britain with a pre existing indigenous heritage of expertise in classical languages and literature postcolonial Ireland represents a unique case in the field of classical reception This book opens a window on a rich and varied dialogue between significant figures in Irish cultural history and the Greek and Roman sources that have inspired them a dialogue that is firmly rooted in Ireland s historical past and continues to be ever evolving
