

A black and white photograph of a man in a dark suit carrying a woman in a dark dress in his arms. They are walking away from the camera down a long, brightly lit hallway with glass doors on both sides. The woman's legs are raised in the air, and she is holding a high-heeled shoe. The man is looking back over his shoulder at the camera.

Through to You Lauren Barnholdt, 2014-07-08 Fans of Sarah Dessen Lauren Myracle Morgan Matson and Simone Elkeles will enjoy this story told from both Harper and Penn's points of view widening the appeal to all teens not just females VOYA It starts with a scribbled note in class I like your sparkle Harper had casually threaded a piece of blue and silver tinsel through her ponytail in honor of school spirit day And that carefree corny gesture is what grabs Penn Mattingly's eye Penn resident heartbreaker of the senior class Reliably unreliable Trouble with a capital T And okay smolderingly sexy Harper's surprised by Penn's attention and so is Penn The last thing he needs is a girlfriend Or even a friend with benefits The note is not

supposed to lead to anything Oh but it does They hang out They have fun They talk They make out And after a while it seems like they just click But Penn and Harper have very different ideas about what relationships look like in no small part because of their very different family backgrounds Of course they could talk about these differences if Penn knew how to talk about his feelings Harper and Penn understand their attraction is illogical yet something keeps pulling them together It s like a crazy roller coaster exhilarating terrifying and amazing all at once And neither knows how to stop the ride
