Online Book Little Book Clarity Quick Declutter:

The Little Book of Clarity Jamie Smart, 2015-02-19 Imagine what you could achieve if you could only clear your mind The Little Book of Clarity shows you how to clear your head and get things done Based on bestselling book Clarity this new edition has been distilled to the essentials getting right to the point With no vague theory or superfluous anecdotes this book gets you right to work reducing stress and boosting productivity by uncovering your mind's built self clearing capacity As you begin to understand the concept of innate thinking the benefits will start emerging in every corner of your life As you think less you'll win more at work at home and at the game of life as a whole You'll rid your mind of clutter for good as you focus on what matters and finally free up the time you need to pursue your dreams Life's constant bombardment of to do and urgent pushes your own priorities clear off the radar Before you know it you're always busy but not getting very much accomplished Personal goals fall by the wayside as you struggle just to keep up with day to day life This book shows you how to cut the noise and clear the fog and start working on what matters to you Harness the power of insight and principles Discover your true identity and innate wisdom Build better relationships and stronger connections Discard toxic goals and pursue authentic desires Clarity is the mind's natural state a state to which it will always return if given the chance Although it's evident in children most adults have had this ability conditioned out of them by our go go go society leaving them mentally muddled stressed and ineffectual The Little Book of Clarity helps you erase that conditioning and gain the peace of mind to live a life you love permanently
