THE ONE TO WATCH

Max Streaming Netflix Usa

**Anna Brunstrom, Marcel Flores, Marco
Fiore**

Max Streaming Netflix Usa:

European Cinema in the Streaming Era Christopher Meir, Roderik Smits, 2024-04-09 This collection examines the impact of streaming platforms on European cinema. It is structured from three distinct points of view: the policy issues related to streaming platforms equally at the European level and in individual countries; the impact of platforms on the circulation of European films including some of the global players; multi-national and single-nation platforms operating in Europe and the production activities of the platforms in the form of specific original films. By bringing together scholars working on various national cinemas including those of France, Spain, Britain and other countries, this collection illuminates the many ways in which the European film industry is responding to the digital revolution. Chapter 5 is available open access under a Creative Commons Attribution 4.0 International License via link.springer.com

Teen TV Florian Krauß, Moritz Stock, 2020-04-30 Das Teen TV boomt. Aktuelle Jugendserien auf Streaming Plattformen sind dafür ein klares Indiz. Haben in der deutschsprachigen Medienwissenschaft bislang aber kaum Beachtung gefunden. Dieser Sammelband führt grundlegend in das serielle Teen TV ein und nimmt zentrale Fallbeispiele in den Blick von 13 Reasons Why bis zu DRUCK, der deutschen Adaption des norwegischen Transmedia Jugenddramas SKAM. Neben den Inhalten und der Ästhetik der seriellen Jugendnarrationen geht es um ihre Rezeption und um Produktionskontexte.

Friends Simone Knox, Kai Hanno Schwind, 2019-09-16 This book offers a long overdue extensive study of one of the most beloved television shows. Friends: Why has this sitcom become the seminal success that it is? And how does it continue to engage viewers around the world a quarter century after its first broadcast? Featuring original interviews with key creative personnel including co-creator Marta Kauffman and executive producer Kevin S. Bright, the book provides answers by identifying a strategy of intimacy that informs Friends' use of humour, performance style and set design. The authors provide fascinating analyses of some of the most well-remembered scenes: the one where Ross can't get his leather pants back on and Ross and Rachel's break-up, to name just a couple, and reflect on how and why. A list of guest performances sometimes fell short of the standards set by the ensemble cast. Also considered are the iconic look of Monica's apartment as well as the programme's much-discussed politics of representation and the critical backlash it has received in recent years. An exploration of Joey, the infamous spin-off, and several attempts to adapt Friends' successful formula across the globe round out the discussion with insights into mistranslated jokes and much more. For students, scholars, creative industry practitioners and fans alike, this is a compelling read that lets us glimpse behind the scenes of what has become a cultural phenomenon and semi-permanent fixture in many of our homes.

Passive and Active

Measurement Anna Brunstrom, Marcel Flores, Marco Fiore, 2023-03-09 This book constitutes the proceedings of the 24th International Conference PAM 2023 held as a virtual event March 21-23, 2023. The 18 full papers and 9 short papers presented in this volume were carefully reviewed and selected from 80 submissions. The papers are organized in the following topical sections: VPNs and Infrastructure; TLS Applications; Measurement Tools; Network Performance; Topology.

Transnational Streaming Television Joseph Straubhaar, Swapnil Rai, Melissa

Santillana, Silvia Dalben, 2025-09-29 Examining the impact of streaming on the global production and flow of television and film this book provides an innovative theoretical framework to conceptualize how asymmetric dynamics of power play out in the era of global streaming This book analyses Netflix and Amazon Prime Video two tech based digital native streamers and compares them to Disney and HBO Max Warner Bros Discovery two legacy Hollywood studios with cable TV and broadcasting operations now pursuing global streaming The book compares their different models of operation and specifically explores how these four streamers particularly Netflix are co producing and commissioning television programs and films in an increasing number of countries It also examines how this trend is creating new opportunities for independent producers and soft power for the producing nations This book further considers the direct algorithmic targeting of individuals by their genre preferences across boundaries of culture language and nation boundaries that previously protected national and regional television markets creating a new flow of data colonialism At a more local level the book also examines some of the national and regional streaming platforms emerging in some of the key players in the Global South Brazil India and Mexico This is essential reading for students researchers and academics interested in media studies global media and global television studies

Media Libraries in an Age of Unending Consumption Mike Van Esler, 2023-10-24

As the home video market upended traditional film industry models media libraries emerged as important sources of ancillary revenue The inflection point for media library exploitation came in 2007 when Netflix launched its streaming service relying on extensive licensing of film and television libraries to grow its subscriber base In this book Mike Van Esler examines how media libraries and business models have evolved since the home video era with particular emphasis placed on the streaming age of the past fifteen years Van Esler argues that media libraries have grown beyond their usages from the pre home video era to become central to today s corporate media strategy By studying the ways in which media library exploitation has scaled up since the turn of the new millennium the author identifies insights into larger media industry trends Ultimately this book explores the intersection of corporate media independent distributors private equity tech companies and audiences Scholars of media studies business and sociology will find this book of particular interest

The Business of Television Ken

Basin, 2024-09-19 In this expanded and updated second edition esteemed television executive and Harvard lecturer Ken Basin offers a comprehensive and readable overview of the business financial and legal structure of the U S television industry as well as its deal making norms The Business of Television explores the basic structure and recent history of the television and streaming business rights and talent negotiations intellectual property backend deals licensing international production and much more This expanded and updated second edition also features an in depth exploration of the evolution of the streaming business offers valuable new insights about negotiation reflects the historic impacts of the 2020 Covid 19 pandemic and 2023 WGA and SAG AFTRA strikes addresses the intersection of artificial intelligence technology and intellectual property law and

provides a greater breadth and depth of technical material about a wide variety of common television deals The book also includes breakdowns after each chapter summarizing major deal terms and points of negotiation a significantly expanded glossary an extensive list of referenced articles and cases and a wealth of real world examples to help readers put the material into context Written for a diverse audience of working or aspiring creative professionals executives agents managers lawyers and students The Business of Television is the definitive reference guide for the ever changing television industry

Digital Marketing Klaus Solberg Söilen,2024-12-02 This textbook balances the theory of digital marketing with the practical skills for prospective marketers in professional organizations both public and private It begins with an introduction to the digital landscape following the structure of market segmentation B2C B2B applications as a starting point of digital marketing It then takes the readers through the customer journey use of social media and the rising importance of video based communication Given this background students will learn the organization technical skills and project management needed for digital marketing including online public relations communications and internet branding An extensive summary of strategies necessary to work with digital marketing in a longer perspective is also provided Amazon Paul Smith,Alexander Monea,Maillim Santiago,2022-11-28 Amazon is everywhere In our mailboxes in delivery vans clogging our streets in an increasing portion of our air traffic in our grocery stores on our televisions in our smart home devices and in the infrastructure powering many of the websites we visit Amazon s tendrils touch the majority of online retail transactions in the United States and in many other countries As Amazon changes the face of capitalist business it is also changing global culture in multiple ways This book brings together some of the most important analyses of Amazon s pioneering business practices and how they intersect with and affect the components of everyday culture Its contributors examine the political economy of Amazon s platform making the argument that it operates as an unregulated monopoly that is disruptive to the global economy and that its infrastructure and logistical operations increasingly alienate its workers and wreak many other social harms Our contributors outline the practices of resistance that have been employed by organizers ranging from Amazon employees to artists to digital piecemeal laborers working on Amazon s Mechanical Turk platform They examine the broader cultural impact that Amazon has had looking at things like Amazon Prime and the creation of unending consumption the absorption of Whole Foods and its brand of conscious capitalism and the impact of Amazon Studios and Prime Video on everyday film and television viewing practices This book examines the broader environmental impacts that Amazon is having on the world looking at the slow violence it incurs its underwhelming Climate Pledge and the regional impacts that its business practices have Lastly this book gathers together some important artistic responses to Amazon for the first time in an appendix that offers readers insight into other ways in which critics of the company are making their voices heard and attempting to move broader audiences into solidarity against Amazon **Quality Telefantasy** Andrew Lynch,2022-03-28 This book explores the relatively new genre of Quality Telefantasy and how it has broadened TV taste cultures by legitimating

and mainstreaming fantastical content It also shows how the rising popularity of this genre marks a distinct and significant development in what kinds of TV are culturally dominant and critically regarded By expanding and building on the definition of US Quality TV this book brings together a number of popular science fiction fantasy and horror TV series including Game of Thrones The Walking Dead and Westworld as case studies which demonstrate the emergence of the Quality Telefantasy genre It looks at the role of technology including internet recap culture and subscription video on demand distribution in Quality Telefantasy s swift emergence and analyses its success internationally by considering series created outside the US like Kingdom South Korea Netflix and Dark Germany Netflix The book argues that Quality Telefantasy series should be considered a part of the larger Quality TV super genre and that the impact they are having on the global TV landscape warrants further investigation as it continues to evolve This is a valuable text for students and scholars studying or undertaking research in the areas of television studies new media and pop cultural studies

Reclaiming the Tomboy Erica Joan Dymond, Jennifer Harrison, Holly Wells, 2022-07-11 With the tomboy figure currently operating in a liminal space between extinction and resurgence Reclaiming the Tomboy The Body Identity and Representation is an unabashed celebration of her rebellious independent and pioneering spirit This collection examines the tomboy as she appears throughout history in the arts and in real life It also addresses how she has changed over the centuries adapting to the world around her and breaking new boundaries in new ways sometimes with a simple selfie While this collection addresses the claim of the tomboy as being antiquated or even problematic it more vigorously offers examples of where she is thriving and benefiting from her tomboy identity Ultimately this book underscores the tomboy s legacy as well as why she is still relevant if not needed today

Posthuman Glossary Rosi Braidotti, Maria Hlavajova, 2018-02-22 If art science and the humanities have shared one thing it was their common engagement with constructions and representations of the human Under the pressure of new contemporary concerns however we are experiencing a posthuman condition the combination of new developments such as the neoliberal economics of global capitalism migration technological advances environmental destruction on a mass scale the perpetual war on terror and extensive security systems with a troublesome reiteration of old unresolved problems that mean the concept of the human as we had previously known it has undergone dramatic transformations The Posthuman Glossary is a volume providing an outline of the critical terms of posthumanity in present day artistic and intellectual work It builds on the broad thematic topics of Anthropocene Capitalocene eco sophies digital activism algorithmic cultures and security and the inhuman It outlines potential artistic intellectual and activist itineraries of working through the complex reality of the posthuman condition and creates an understanding of the altered meanings of art vis vis critical present day developments It bridges missing links across disciplines terminologies constituencies and critical communities This original work will unlock the terms of the posthuman for students and researchers alike

What Went Wrong Gregory E. Pence, 2025-04-15 We thought we were a nation ready for any crisis Covid showed us how much we have

yet to learn America's response to Covid cost too many lives set our children back in their education and forever damaged our trust in our government's ability to protect and guide us through crises Conflicting values and strategies received too little ethical consideration as we blindly followed an overly simplified prime directive to stop infections and save lives In *What Went Wrong* Gregory Pence reveals how the best of intentions resulted in disastrous consequences for our nation As many as 400 000 non Covid deaths occurred as a by product of poor planning and implementation of medical policies We continue to realize the long term effects on our nation including millions of children now being years behind in reading and math Proportionally America suffered more deaths during the pandemic than any other developed country So where do we go from here Hindsight on the pandemic shows us how important and complex the ethical implications of public health policy are Unless we learn from America's failures the next pandemic could be even worse *The Fictional Female Presidency in Film, Television, and Literature* Kathleen W. Taylor Kollman, 2025-11-13 This book examines the ways in which popular culture has entertained the notion of a female U S presidency through portrayals in film television and literature dating back to the 1930s To date no woman has served as Commander in Chief in the White House This lack of precedent however has not deterred the continued exploration of this idea in U S popular culture for decades In this book Kathleen W Taylor Kollman analyzes fictionalized portrayals of female U S Presidents across a variety of media spanning both genre and time period to demonstrate how the perceptions of audiences and content creators have shifted when considering the idea of a woman's ability to run the United States She then contextualizes each example by positioning it alongside real life women in politics to examine the accuracy of existing portrayals when compared to the media framing of aspiring political candidates By analyzing works diverse in genre including science fiction dystopias slapstick comedies political dramas satire and romance novels Kollman also explores the ways in which genre can also play a critical factor in the framing of these women with regard to both subject matter and approach Scholars interested in parasocial relationships the history of feminist movements the intersection of political and media audiences and popular media trends will find this book particularly compelling

Screenwriting for Micro-Budget Films David Greenberg, 2021-11-29 Screenwriting for micro budget films can present its own challenges and this book takes the reader through all the considerations that need to be made to write an effective screenplay for a low budget film Drawing on his own experience case studies from films such as *Primer* *Coherence* and *Reservoir Dogs* as well as the perspectives of working screenwriters such as Joe Swanberg and Alex Ross Perry Greenberg explores common pitfalls screenwriters face and suggests practical solutions This book lays the groundworks of the realities of low budget filmmaking and also talks through the practical aspects such as story structure and genre considerations Greenberg makes the process of writing a screenplay for a low budget film accessible and creative allowing student and independent filmmakers to tailor their writing for their films This book is ideal for aspiring screenwriters independent filmmakers and students of screenwriting *A Hero in All of Us?* Stephen Clouse, Aaron Kushner, 2024-08-26 Is heroism

possible for everyone Should it be What kinds of stories do we tell when we talk about heroes and what do these stories reveal about how we view ourselves This book takes up these questions and more by reflecting on twenty first century American television shows Among the shows examined are Only Murders in the Building Game of Thrones The Good Lord Bird The Boys and Severance What we find is an entertainment landscape unsure about what a hero is or even what qualifies as heroic In a nation uncertain about heroism we see a dramatic rise in the popularity of the anti hero and even in worlds without heroes This fragmented variety highlights how the American political mind is similarly fragmented in what it believes are its highest aspirations and its deepest anxieties It is this fragmentation that may help us understand why twenty first century entertainment has elevated the heroic to the supernatural while simultaneously democratizing heroism to the point where anyone may become one A Hero in All of Us Heroism and American Political Thought as Seen on TV explores this multifaceted landscape to better understand how Americans view their heroes and themselves *The Al Librarian Smart Solutions for Smarter Libraries* Dr. Rajesh Rangappa Aldarthy, Prof. Shantadevi T, Prof. Manoj Kumar Sinha, 2025-11-01 It is with great happiness that I would like to acknowledge a great deal of people that get helped me extremely through the entire difficult challenging but a rewarding and interesting path towards some sort of Edited Book without having their help and support none of this work could have been possible **Streaming Video Collection Development and Management**

Michael Fernandez, Amauri Serrano, 2025-01-23 This accessible how to manual addresses new considerations for libraries in building and managing streaming video collections Streaming video is not new to the library environment but recent years have seen an exponential growth in the number of platforms and titles available for streaming For libraries this has meant an increasingly complex acquisitions landscape with more vendors occupying the marketplace and larger portions of the budget dedicated to streaming Users increasingly expect video content to be available online and on demand and streaming video is increasingly integrated into coursework Michael Fernandez and Amauri Serrano outline the myriad challenges of managing streaming video content across all stages of the electronic resources lifecycle from initial collection decisions to the user's experience of accessing the content At every step they provide practical advice on how to handle these challenges regardless of the size and budget of the institution Librarians at community colleges research institutions specialized schools and public libraries will find this a valuable and engaging guide **Fernsehen und Klassenfragen** Dagmar Hoffmann, Florian Krauß, Moritz Stock, 2024-11-23 Der Sammelband untersucht das Verhältnis von Klasse einer nicht nur ökonomischen sondern auch kulturellen und politischen Kategorie und dem Fernsehen in seinen gegenwärtigen hybriden Formen vor allem aus vier Perspektiven Erstens geht es um Klassenfragen im Fernsehen auf der Ebene der Repräsentation zweitens um Klassenfragen des Fernsehens auf der Seite der Produktion Hier ist zum Beispiel zu analysieren welche Klassen welches Fernsehen für welche Klassen entwickelt und herstellt Unter drittens Klassenfragen beim Fernsehen fallen Beiträge die sich auf die Seite der Rezeption fokussieren und zum Beispiel die Lesarten zu spezifischen Klassendarstellungen beleuchten Viertens nimmt

der Band Klassenfragen der Fernsehwissenschaft in den Blick und reflektiert in diesem Zusammenhang ihre Lücken und ihre Prägung durch Klassenzugehörigkeit
