Pande, Uddhab Karki, 1998 With reference to Nepal **International Guide to Student Achievement** John Hattie, Eric M. Anderman, 2012 The International Guide to Student Achievement brings together and critically examines the major influences shaping student achievement today There are many often competing claims about how to enhance student achievement raising the questions of What works and What works best World renowned bestselling authors John Hattie and Eric M Anderman have invited an international group of scholars to write brief empirically supported articles that examine predictors of academic achievement across a variety of topics and domains Rather than telling people what to do in their schools and classrooms this guide simply provides the first ever compendium of research that summarizes what is known about the major influences shaping students academic achievement around the world Readers can apply this knowledge base to their own school and classroom settings The 150 entries serve as intellectual building blocks to creatively mix into new or existing educational arrangements and aim for quick easy reference Chapter authors follow a common format that allows readers to more seamlessly compare and contrast information across entries guiding readers to apply this knowledge to their own classrooms their curriculums and teaching strategies and their teacher training programs **Guide to Indian Periodical Literature**, 1990 *Trekking Nepal* Stephen Bezruchka, M.D., Alonzo Lyons, 2011-06-01 Any Nepal travel guidebook will give you details details details But read Stephen Bezruchka s *Trekking Nepal* the best for background and thorough trekking advice Christian Science Monitor on the 7th edition Co written by veteran Nepal trekkers with more than 60 combined years of experience in the region New 8th edition reflects the most current political information and includes both popular and lesser known trekking destinations After much political unrest tourism to Nepal is again on the rise as a travel destination New features of the 8th edition include Expanded coverage of areas outside of the primary trekking routes as well as of less traveled routes near major trailheads New details on trekking in the Everest Annapurna and Langtang regions New DIY information for independent exploring how to make contact with villagers use local maps find porters and guides understand pricing guidelines and arrange travel necessities such as water purification and meals *Nepal Who's who*, 1997 **Locating the Field** Simon Coleman, Peter Collins, 2020-09-09 Are reports of the death of conventional fieldwork in anthropology greatly exaggerated This book takes a critical look at the latest developments and key issues in

fieldwork The nature of locality itself is problematic for both research subjects and fieldworkers on the grounds that it must now be maintained and represented in relation to widening and fragmenting social frames and networks Such developments have raised questions concerning the nature of ethnographic presence and scales of comparison From the social space of a cybercafe to cities in India the UK and South Africa among others this book features a wide range of ethnographic studies that provide new ways of looking at the concepts of locality and site It shows that rather than taking key fieldwork processes such as globalization and mobility for granted anthropologists are well placed to examine and critique the totalizing assumptions behind these notions
