[A Noble Calling](#) David W. Whitlock, Gordon Dutilleul, 2008-01-01 Too often individuals who have been called to practice their gifts and talents in the field of business and professional life sense that to serve God they ought to be doing something more directly involved with the church Many successful business leaders upon coming to faith in Christ or upon renewing their interest in God s Word struggle with whether or not they should enter vocational ministry Certainly God calls some from among the professions into such vocations but many simply haven t realized the full potential of where God has placed them God s people who are assigned to duties in corporate boardrooms or offices on sales forces in entrepreneurial ventures and as members of research and development teams are among his most effective servants Believers who are active in the marketplace are surely among God s most treasured ministers and have the potential to have a wider impact and larger influence than most who serve in full time vocational ministries Likewise these professionals have a capacity for great harm to the church and the cause of Christ if while they make claims of Christian belief their actions prove inconsistent with what God s Word teaches if their walk doesn t match their talk Be encouraged God wants to use you where you are He wants to sanctify all of what you have learned and experienced You have great potential in the kingdom

study directly to you as you study God's Word. Chuck's warm personal style comes across on every page and his informed practical insights get straight to the heart of the Bible's message for the world today. Reading each part of this study Bible is like hearing Chuck speak God's Word directly to your heart. It will both encourage readers' faith and draw them deeper into the study of God's Word. In Chuck's own words: This study Bible was designed with you in mind. As you read the Scriptures, imagine me sitting beside you and sharing personal stories, important insights, and hard-earned lessons that will encourage you to walk more closely with Jesus Christ. You'll discover the who, what, where, when, why, and how of the Bible. Who wrote it and when? What does it mean, and where did its events occur? Why should I trust it? And most importantly, how can I apply it today? It's that last question more than any other that has fed my passion to publish this Bible. My primary focus in ministry has been teaching biblical insight for living, for genuine life change. After all, that's why God has communicated His Word to us so that we may become like His Son, Jesus Christ, the central figure of this Book. Free app with purchase.
