New Testament Seminary Student Study Guide:

Latter-day Saint Theology among Christian Theologies Grant Underwood, 2025-03-13 How do the beliefs of Latter day Saints compare with traditional Christian theology Grant Underwood provides answers to this question that are clear detailed and thoughtful Writing for a broad and interested Christian audience he systematically brings Mormon thought into conversation with main currents of Christian theology He focuses on major topics that have engaged Christian thinkers over the years who God is who Jesus Christ is who we are how we are saved what the church is and what the future holds for human history as well as for individual human lives Most chapters follow a format in which relevant themes are introduced with an overview of significant Christian reflection on the topic followed by an exploration of Latter day Saint thought on the subject Throughout the book Underwood's goal is to analyze not catechize While the author is a practicing Latter day Saint that reality only enhances his appreciation for the theology produced by centuries of fellow Christians of faith who in Anselm's words have diligently and devoutly sought understanding Underwood seeks to facilitate mutual understanding among Christians who may worship differently who conceive of God and God's relations with humanity differently and who articulate their religious beliefs in terms and concepts that are unfamiliar to each other Readers of this book are invited to approach its sympathetic presentation of such Christian theologies including that of the Latter day Saints with an openness and curiosity that can lead to a more accurate nuanced understanding of the doctrines discussed Teaching Activities Manual for Breakthrough! the Bible for Young Catholics Rick Keller-Scholz, Jeannie Pomanowski, 2006 Each chapter includes these features an overview of the character scripture passages related to the character Breakthrough articles that pertain to the character a list of similarities between young adolescents and the biblical figure biblical quotes that point to God's presence in the character's story and a Getting to know the biblical character activity or activities that explores who the biblical character is and makes connections between his or her relationship with God and the young people's own life experience Back cover Answering Mormons' Questions Bill McKeever, Eric Johnson, 1983 The Church of Jesus Christ of Latter Day Saints currently boasts millions of members thousands of missionaries and congregations on every continent as well as in the vast majority of the world's countries It's clear that their influence is still growing in our communities places of business and in the political arena It's also clear that Christians need to be prepared to answer questions from Mormon friends neighbors co workers and from fellow believers as well In this updated and expanded edition of McKeever's popular and practical book authors Bill McKeever and Eric Johnson provide ready responses to the common questions Mormons ask With more than six decades of combined experience the authors tackle such tough questions as Why don't you accept Mormons as Christians Do you believe Mormonism is a cult If the LDS church is not true which church is How can you explain the many contradictions found throughout the Bible After offering analysis and responses to these and other questions McKeever and Johnson provide helpful appendices that summarize Mormon beliefs provide 101 Bible references to use in conversation and expose common

logical fallacies Originally published in the 1980s this volume has been and will continue to be a classic resource to help Christians become more successful in sharing their faith with Mormons **Redeeming Evil** Simon Driscoll, James T. Prout, 2019-07-17 Scott Knox is on the run from the authorities and the people who hired him to kill the Vice President He is a rich man if he can figure out how to spend it without revealing his location Now he knows only enough to be a threat Can Scott survive long enough to discover who is really pulling the strings Redeeming Evil is the second book in the Ruin Restoration series This series shows the possible fulfillment of great and terrible Last Days prophecies in the very near future

A House Full of Females Laurel Thatcher Ulrich, 2017-01-10 From the author of A Midwife's Tale winner of the Pulitzer Prize and the Bancroft Prize for History and The Age of Homespun a revelatory nuanced and deeply intimate look at the world of early Mormon women whose seemingly ordinary lives belied an astonishingly revolutionary spirit drive and determination A stunning and sure to be controversial book that pieces together through more than two dozen nineteenth century diaries letters albums minute books and quilts left by first generation Latter day Saints or Mormons the never before told story of the earliest days of the women of Mormon plural marriage whose right to vote in the state of Utah was given to them by a Mormon dominated legislature as an outgrowth of polygamy in 1870 fifty years ahead of the vote nationally ratified by Congress and who became political actors in spite of or because of their marital arrangements Laurel Thatcher Ulrich writing of this small group of Mormon women who've previously been seen as mere names and dates has brilliantly reconstructed these textured complex lives to give us a fulsome portrait of who these women were and of their sex radicalism the idea that a woman should choose when and with whom to bear children **The Old Testament Student** William Rainey Harper, 1889 Vol 8 includes New Testament supplement The Presbyterian and Reformed Review Benjamin Breckinridge Warfield, 1895 Includes section Reviews of recent theological literature **The Homiletic Review**, 1888

Old and New Testament Student, 1882 A Manual of Christian Evidences Charles Adolphus Row, 1897 Devenir Mormon Sophie-Hélène Trigeaud, 2025-10-02 Cette étude de la conversion et de l'éducation mormones tente de décoder la finalité proposée aux individus qui s'y soumettent de couvrir leur théologie Dans une perspective durkheimienne d'examen méthodique des mécanismes fondamentaux du lien social la question de la communauté a été introduite pour interroger la raison d'être sociale des choses Il s'agissait de considérer l'impact des représentations sur le domaine des pratiques du vécu et de l'insertion dans le monde avec un regard spécial sur la mormon way of life à partir de projets de communauté à la fois des débuts de l'histoire mormone D'où la conclusion que devenir mormon aujourd'hui c'est se convertir et être d'abord selon les principes d'une communauté de membres en empruntant le chemin d'une transformation sociale et anthropologique pour devenir un humain tel que la culture mormone l'entend religieuse et théologique pour devenir un Dieu comme les représentations mormones le prévoient Cette observation de la construction individuelle et communautaire SDJ a donné lieu à une analyse de la religion en montrant un paradoxe à l'époque de l'individualisme et du bricolage individuel des croyances les Mormons

par la communauté poussent l'individu une situation paroxystique de l'individualisme en prétendant en faire un Dieu. Pourtant l'outil communautaire ne perd rien de son aspect institutionnel traditionnel et contraste au contraire avec l'attitude fréquemment enregistrée aujourd'hui du désintéressement pour une religiosité institutionnelle traditionnelle exigeant engagement et activité globale. Au-delà d'une sociologie de la religion et d'une socio-anthropologie de l'éducation, cette recherche vise une socio-anthropologie des rapports de l'individu au groupe et du communautarisme dans la contemporanéité occidentale.
