The Return of the Chaos Monsters Gregory Mobley, 2012-01-31 Mobley has written a thick narrative account of Israel s thick narrative He does so with freedom

and imagination while remaining faithful to the plotline of the old narrative His book defies genre classification it is part introduction part theology but mostly a playful tease that invites the reader into the indeterminate wisdom of the biblical text Mobley s shrewd reflection on God s anger is itself well worth the price of the book But there is much more here that invites truth thinking about texts we thought we already knew This welcome and suggestive prose of biblical imagination ranges all the way from the stories of the ancient Near East to quite personal narrative memories The New Testament and the People of God Tom Wright,2013-03-21 Twenty years on from its original appearance this ground breaking first volume in N T Wright s magisterial series Christian Origins and the Question of God still stands as a major point of reference for students of the New Testament and early Christianity This latest impression has been completely reset to make Wright s elegant and engrossing text more readable The sweep of Wright s project as a whole is breathtaking It is impossible to give a fair assessment of his achievement without sounding grandiose no New Testament scholar since Bultmann has even attempted let alone achieved such an innovative and comprehensive account of New Testament history and theology Richard B Hays

Harris, 2016-02-11 The Truth of Immanuel The Second Attempt to Kill Christ By Joel D Harris The Truth of Immanuel The Second Attempt to Kill Christ questions some deeply entrenched ideas and beliefs thought to be axiomatically true Such questioning has often led to imprisonment torture and execution at certain points throughout history These terror induced belief systems echo at this very moment in the mind of modern man perpetuating a culture of fear and violence This book offers a practical mental discipline leading to the key of freedom from the psychic prison to all who seek It This book is based upon the thesis that all humans with extremely rare exceptions suffer from the psychic virus of imposter identity It makes the bold claim to not only discover the cause of all human suffering but the means of self curing This is no new gimmick or mental strategy designed to trick one into feeling like he or she is happy For those who will venture across the threshold The Truth of Immanuel is the door to abiding peace and profound unshakable joy **Now and Not Yet** Dean R.
