Petroski,2014-05-05 An architectural whodunit that unlocks the secrets of a hand built home When Henry Petroski and his wife Catherine bought a charming but modest six decades old island retreat in coastal Maine Petroski couldn't help but admire its unusual construction An eminent expert on engineering history and design he began wondering about the place's origins and evolution Who built it and how What needs materials technologies historical developments and laws shaped it How had it fared through the years with its various inhabitants Sleuthing around dimly lit closets knotty pine wall panels and even a secret passage but never removing so much as a nail Petroski zooms in on the details but also steps back to examine the structure in the context of its time and place Catherine Petroski's beautiful photographs capture the clues and the atmosphere A vibrant cast of neighbors and past residents most notably the house's masterful creator an engineer turned folk architect become key characters in the story As the mystery unfolds revealing an extraordinary house and its environs this ode to loving design will leave readers enchanted and inspired *The French Quarter of New Orleans* , The author a native of New Orleans displays his passion for the French Quarter of the city in 106 color photographs highlighting Old World architecture style and history that has made this section of the city famous throughout the world *Beautiful America's Northwest Victorians* ,2001 Long a hotbed for Victorian architecture the northwest has often been included as an additional chapter or two in other Victorian home publications Now Ken Naversen our resident Victorian expert has devoted his considerable talents to bringing the best of the Northwest Victorians to one comprehensive publication This is your chance to get all the dates details bibliographies and photographs in this dynamite publication Order yours now

Traditional American Rooms (Winterthur Style Sourcebook) Brent Hull,2009-03-01 An ideal sourcebook for architects woodworkers and homeowners this beautiful reference showcases the stunning architectural details of the Winterthur Museum This guided tour explores 33 rooms from the Georgian and Federal periods with stunning photography architectural terms detailed drawings and fascinating commentary **Hope in Hard Times** Timothy Kelly,Margaret Power,Michael Cary,2016-06-03 Of the many recipients of federal support during the Great Depression the citizens of Norvelt Pennsylvania stand out as model reminders of the vital importance of New Deal programs Hoping to transform their desperate situation the 250 families of this western Pennsylvania town worked with the federal government to envision a new kind of community that would raise standards of living through a cooperative lifestyle and enhanced civic engagement Their efforts won them a nearly mythic status among those familiar with Norvelt's history Hope in Hard Times explores the many transitions faced by those who undertook this experiment With the aid of the New Deal these residents who hailed from the

hardworking and underserved class that Jacob Riis had called the other half a generation earlier created a middle class community that would become an exemplar of the success of such programs Despite this many current residents of Norvelt the children and grandchildren of the first inhabitants oppose government intervention and support political candidates who advocate scrutinizing and even eliminating public programs Authors Timothy Kelly Margaret Power and Michael Cary examine this still unfolding narrative of transformation in one Pennsylvania town and the struggles and successes of its original residents against the backdrop of one of the most ambitious federal endeavors in U S history **Southern Homes and Plan Books** Sarah J. Boykin, Susan M. Hunter, 2018-08-01 Southern Homes and Plan Books showcases the architectural legacy and design philosophy of Leila Ross Wilburn 1885 1967 a legacy that includes hundreds of houses in a variety of popular house styles from bungalows to ranch houses built using Wilburn s plan books during the first six decades of the twentieth century Wilburn opened her own firm in Atlanta in 1908 and practiced until her death in 1967 She published nine plan books that offered mail order house designs to contractors builders and prospective homeowners and allowed them the ease of choosing a preconceived design and construction plan Sarah J Boykin and Susan M Hunter provide a survey of the southern homes built from Wilburn s plan books examining Wilburn s architectural legacy and her achievements as a plan book architect The book provides beautiful photographs of houses built from her plans along with illustrations from the plan books themselves and other related documents from the time Readers can thus see how her designs were realized as individual houses and also how they influenced the development of some of the Atlanta area s beloved historical neighborhoods most notably Druid Hills Morningside Virginia Highland and Candler Park as well as the McDonough Adams Kings Highway MAK Historic District in Decatur Today Wilburn s houses are enjoyed as appealing historic homes and represent some of the richest examples of southern vernacular architecture to emerge from the plan book tradition
