The Built Surface: v. 1: Architecture and the Visual Arts from Antiquity to the Enlightenment Christy Anderson, Karen Koehler, 2017-11-22 This title was first published in 2002 Since antiquity through to the present architecture and the pictorial arts paintings photography graphic arts have not been rigidly separated but interrelated the one informing the other and establishing patterns of creation and reception In the Classical tradition the education of the architect and artist has always stressed this relationship between the arts although modern scholarship has too often treated them as separate disciplines These volumes explore the history of this exchange between the arts as it emerged from classical theory into artistic and architectural practice Issues of visual representation perspective allegory site specificity ornamentation popular culture memorials urban and utopian planning and the role of treatises manifestos and other theoretical writings are addressed as well as the critical reaction to these products and practices This title represents a variety of methods approaches and dialectical interpretations cases where architecture informs the themes and physical space of pictures or pictorial concerns inform the design and construction of the built environment The exchanges between architecture and pictures explored by these authors are found to be in all cases ideologically potent and therefore

significantly expressive of their respective social political and intellectual histories The International Standard Bible Encyclopedia Geoffrey William Bromiley, 1979 This is Volume I of an encyclopedia representing the scholarship of hundreds of evangelical contributors who have prepared articles on virtually every person place and term mentioned in the Bible The encyclopedia is based on the Revised Standard Version but is cross referenced so that readers of other versions can easily utilize it Writing and Rewriting the Story of Solomon in Ancient Israel Isaac Kalimi, 2018-11-29 Analyses Solomon's birth rise and temple building within scriptural archaeological and historical contexts The Israeli-American Connection Michael Brown, 2018-02-05 An examination of the ways in which the American experience influenced some of the major Jewish leaders during and between the world wars The Israeli American Connection examines the ways in which the American experience influenced some of the major leaders of the yishuv the Jewish settlement in Palestine during and between the world wars In six biographical chapters Michael Brown studies Vladimir Jabotinsky Chaim Nahman Bialik Berl Katznelson Henrietta Szold Golda Meir and David Ben Gurion focusing on each leader's involvement with and image of America as well as the impact of America on their lives and careers **The Variety and Unity of the Apostolic Witness to Christ** Leonhard Goppelt, 1982-12 This is a print on demand book and is therefore non returnable This volume the second of a two volume work by Leonhard Goppelt represents the most mature and comprehensive thought of this German New Testament scholar Among German speaking scholars it is distinguished as rivaling if not replacing the monumental work on New Testament theology by Rudolf Bultmann One reason for this fundamental significance is that it attempts to reclaim a biblical theology that comprehends both Old and New Testaments As in the first volume Goppelt makes a thoroughgoing application of the most reliable tools and insights of New Testament scholarship And while he views his work as instructive dialogue between exegetical and systematic theology and seeks always to maintain a balance between historical research and theological understanding his goal is not simply to come to terms with the intent of the New Testament authors but to apply that knowledge in the context of present day realities Volume II treats a variety of apostolic witnesses to Christ the primitive Christian community Paul and the post Pauline writers Yet as the title indicates with all the richness and variety of the New Testament proclamation each of the witnesses expresses in various ways the apostolic kerygma That witness alone is the norm of Christian faith and life that is to be developed reflectively in the contemporary context Adding to the volume's usefulness are detailed bibliographies for each chapter subject indexes for both Volume I and II a literature supplement and a list of the publications of Leonhard Goppelt *The Cambridge Companion to Jewish Music* Joshua S. Walden, 2015-11-19 A global history of Jewish music from the biblical era to the present day with chapters by leading international scholars

International Journal of the Sociology of Language ,1974 **In God's Presence** Alon Goshen-Gottstein, 2025-10-21 In this landmark volume noted Jewish scholar Alon Goshen Gottstein offers a full orbbed treatment of the Jewish faith for today Goshen Gottstein's presentation explores the history and practice of Judaism and offers a framework in which this complex

religious tradition makes sense to both the insider and the outsider Painting a composite picture of Judaism from its beginnings until today Goshen Gottstein draws on history literature theology spirituality and practiced religious life to craft an overview in which these different parts are appreciated as pieces of a larger whole Beyond the canonical foundations of the Bible and the Talmud Goshen Gottstein incorporates mystical sources in presenting an image of spiritually engaged Jewish practice and belief He thus argues that Judaism is best understood as a religious tradition that seeks to uphold not only a life lived in allegiance to God's law but more importantly a life lived in God's presence Written by a senior scholar well known in Jewish Christian and interreligious circles In God's Presence will appeal to Jewish and Christian academic readers those interested in the intersection of Jewish and Christian thought and students in introduction to Judaism courses

Waiting for Josiah Philippe Guillaume,2004-04-21 A historico critical study of the whole of the Book of Judges based on the latest developments in the history and archaeology of Israel A six stages scenario is presented for the growth of Judges from a Retterbuch in Assyrian Bethel Jerusalem under Kings Manasseh and Josiah Babylonian Mizpah and its fight with Persian Jerusalem until the insertion of the book in the Historical Books each editorial stage is set into a precise historical context Richter's Retterbuch is confirmed excepted for the date Noth's Deuteronomistic History is discarded while a new proposal for the canonization of the Former Prophets is offered Futile Diplomacy, Volume 3 Neil Caplan,2015-05-15 This book first published in 1997 provides a careful and balanced behind the scenes account of the intricate diplomatic activity of the period between the first and second Arab Israeli wars The author examines the recurring deadlocks in terms of the motives and calculations of the various parties and reveals how new incentives of pressures offered by outsiders proved incapable of reversing the serious deterioration of Arab Israeli relations as the region headed for war at Suez The text of this volume comprises both an in depth analysis of the period and events and a selection of primary documents from archival sources Having and Belonging Judy Jaffe-Schagen,2016-04-01 The home and the museum are typically understood as divergent even oppositional social realms whereas one evokes privacy and familial intimacy the other is conceived of as a public institution oriented around various forms of civic identity This meticulous insightful book draws striking connections between both spheres which play similar roles by housing objects and generating social narratives Through fascinating explorations of the museums and domestic spaces of eight representative Israeli communities Chabad Moroccan Iraqi Ethiopian Russian Religious Zionist Christian Arab and Muslim Arab it gives a powerful account of museums role in state formation proposing a new approach to collecting and categorizing particularly well suited to societies in conflict ??????
