New Testament Wisdom For Everyone:

New Testament Exhortations Dorothy Mutanu Kagwaini PhD, 2019-07-17 With the Fourth Industrial Revolution of converging genetics robotics artificial intelligence synthetic biology nanotechnology and dimensional spiritual welfare humanity will be exposed to the most fantastic most far reaching supernatural implications The destiny of each individual and the future of generation will depend on knowledge of the True Being Jesus Christ Technology has challenged Christianity and New Testament fundamental precepts abandoned giving birth to new form of secularized spirituality Thus prosperity theology has been elevated instead of theology of the counsel of God In addition living by faith defined in the scriptures as centered on the person of Jesus Christ and expressed in personal sacrifice and transformation this has been changed to thrilling unorthodox theology The faith that once delivered saints is no longer familiar not only among the teens but also in parents Mankind has begun to play God but we know God alone is Creator of life It is for this reason that the New Testament Exhortations book will outline in chapters based on the Sovereignty of God s love to mankind God is the same yesterday today and forever and that will never ever change

The People's New Testament Commentary M. Eugene Boring, Fred B. Craddock, 2010-01-01 M Eugene Boring and Fred B Craddock present this new one volume commentary on the New Testament Writing from the fundamental conviction that the New Testament is the people s book Boring and Craddock examine the theological themes and messages of Scripture that speak to the life of discipleship Their work clarifies matters of history culture geography literature and translation enabling people to listen more carefully to the text This unique commentary is the perfect resource for clergy and church school teachers who seek a reference tool midway between a study Bible and a multivolume commentary on the Bible

Shepherds Daniel C. Fredericks, 2017-04-27 How does God manage his entire creation Has he had a plan a theme a metanarrative or something else which he follows that gives a unity to all of his efforts Shepherds describes the relationship between the Creator and his creation a relationship that is structurally integrated by the very core of who God is There is a design within creation that radiates from his personal unique being What God created and how he manages it is a marvelous extension of who he is and how he acts This relationship between God and his creation is not patterned only on his essence or being but on his powerful and loving will and acts Rather than a literary grid to which theme and metanarrative attempt to subject God s relationship with humanity Shepherds recognizes that all of creation bears the eternal design emanating from God s very nature Scripture is not a story about Israel or the church it is not simply a story of redemption it is a window into the eternal design by which God created reality and will eternally sustain that creation
