Mounce's Complete Expository Dictionary of Old and New Testament Words William D. Mounce, 2009-12-15 For years Vine's Expository Dictionary has been the standard word study tool for pastors and laypeople, selling millions of copies. But sixty plus years of scholarship have shed extensive new light on the use of biblical Greek and Hebrew, creating the need for a new, more accurate, more thorough dictionary of Bible words. William Mounce, whose Greek grammar has been used by more than 100,000 college and seminary students, is the editor of this new dictionary which will become the layperson's gold standard for biblical word studies. Mounce's is ideal for the reader with limited or no knowledge of Greek or Hebrew who wants greater insight into the meanings of biblical words to enhance Bible study. It is also the perfect reference for busy pastors needing to quickly get at the heart of a word's meaning without wading through more technical studies. What makes Mounce's superior to Vine's? The most accurate, in-depth definitions based on the best of modern evangelical scholarship. Both Greek and Hebrew words are found under each English entry. Vine's separates them. Employs both Strong's and G.K. numbering systems. Vine's only uses Strong's. Mounce's accuracy is endorsed by leading scholars.

Carson, 2002-09-10 Right with God is a study of what the Bible has to say about justification along with reflections as to how this teaching ought to work out in a variety of contexts around the world In addition to the essays on particular parts of the Bible Paul Matthew Luke Acts John James the book includes an essay assessing recent thought on justification and another attempting to put together a synthesis of biblical perspectives on this important theme One chapter relates justification and personal Christian living another weighs the relationship between justification and social justice yet another evaluates the treatment of justification in Roman Catholicism and in various interfaith dialogues For some readers however the most innovative chapters will be those discussing the relevance of the Christian doctrine of justification by faith in Hindu Islamic and Buddhist contexts The contributors have been drawn from evangelical communities around the world

Rock Doctrine Greg Anthony Crawford, 2024-07-05 When the Bible refers to Jesus as a cornerstone what was the intended meaning behind this symbolic expression Other literary references to rock and stone pervade the biblical narrative and provide metaphorical value to numerous subjects including God the temple and the eschatological kingdom to name a few Does the use of a common metaphor reveal a theological connection between these various referents Is there a progression of thought upon which each additional use of the metaphor expands This book explores the stone testimonia of Scripture and provides insight into how the connective tissue of the rock metaphor informs the Christology and ecclesiology developed within the New Testament canon Through examining the way in which New Testament authors interact with Old Testament passages this study reveals a more comprehensive way in which to understand Christ and his church in relation to stone imagery

The Doctrines of Grace from the Lips of Our Lord Dr. J. D. Watson, 2012-07-18 The doctrine of salvation is the watershed doctrine of Scripture Flowing from that doctrine will be not only all other doctrine but also personal practice and Christian ministry The major controversy concerning salvation is whether it is a result of the sovereign grace of God alone or a mixture of God s part and man s part Addressing that issue is absolutely critical to the very foundations of Christianity itself Whichever one of those

premises is correct we should expect to find it everywhere we look in Scripture and that is precisely what we find There is no truth that permeates the Bible more than the doctrines of God's sovereign grace From Genesis to Revelation in literally hundreds of verses these doctrines call capture and command our attention Of the many books of the Bible we could choose the Gospel of John is among the most compelling because of its foundational nature It is there we find some of the most profound teaching on the Doctrines of Grace in all Scripture Examining more than one hundred verses in John this small volume presents these great biblical and historical doctrines directly from the lips of our Lord *Spirit Wind* Peter L.
