New Testament Fundamentals:

Johann Jakob Wettstein's Principles for New Testament Textual Criticism Silvia Castelli, 2020-08-17 In Johann Jakob Wettstein's *Principles for New Testament Textual Criticism* Silvia Castelli investigates the genesis development and legacy of Wettstein's criteria for evaluating New Testament variant readings Wettstein's guidelines the *Animadversiones et cautiones* are the first well organized essay on New Testament text critical methodology first published in the *Prolegomena* to his New Testament in 1730 and republished with some changes in 1752 In his essay Wettstein presents a new text critical method based on the manuscripts evidence and on the critic's judgment Moving away from the authority invested in established printed editions Wettstein's methodology thus effectively promotes and enhances intellectual freedom The second part of this volume offers a critical text and an annotated English translation of Wettstein's text critical principles

Martin, 1999-11-19 The merits of this volume are many The author writes in a very readable and intelligible style making the book clear and easy to understand His evaluations are objective carefully weighing both strengths and weaknesses and doing so from the standpoint of liturgical principle rather than dogmatic assertion Despite the scholarly approach there is a practical emphasis not found in many introductions *New Testament Foundations* represents scholarship at its best *The Theological Educator* [New Testament Textual Criticism: The Application of Thoroughgoing Principles](#) James Keith Elliott, 2010-12-17 J K Elliott has been identified as one of the Main exponents of so called thoroughgoing textual criticism In this collection of fifty seven of his essays from the past forty years are articles on methodology as well as on praxis with a selection of important textual variants including some of especial interest for exegesis Also included are several

New Testament Basics for Catholics John Bergsma,2015-10-02 Award winning author and theology professor John Bergsma follows up his popular Bible Basics for Catholics which has sold more than 60 000 copies with a more in depth look at the New Testament Using simple illustrations and the same clear conversational style that characterized his earlier book Bergsma introduces four of the most important writers in the New Testament Matthew Luke Paul and John With humor and simple illustrations theology professor John Bergsma focuses on Matthew Luke Paul and John whose writings comprise about 90 percent of the New Testament The gospel of Matthew written for Jewish Christians illuminates the life and teachings of Christ as the long promised Messiah In Luke s gospel readers will delve into the infancy and Triduum narratives as well as the Acts of the Apostles and the life of the early Church This leads the reader to discover St Paul and his first and arguably greatest theological treatise Romans Finally the beloved apostle St John draws us in to the unsurpassed beauty of the fourth gospel as well as the most mysterious book of the New Testament the book of Revelation A concluding chapter offers suggestions for further study Intended as an introductory work for those who are new to scripture study New Testament Basics for Catholics does not aspire to be a comprehensive guide to all twenty seven books of the New Testament but is intended to lay the foundation for a lifetime of scripture reading

Zion's Rock-Solid Foundations Jaap Dekker,2007 No other biblical book ascribes such a prominent place to the theme of Zion as the book of Isaiah does One of the most important statements regarding Zion is to be found in Isa 28 16 The text speaks of the laying of a foundation stone in Zion and enjoys an important place in New Testament preaching since it is associated with the advent of Jesus Christ The present study addresses the interpretation of Isa 28 16 in its Old Testament context Its significance lies in the fresh contribution it makes to our understanding of the Zion text in question and its importance for establishing the role played by Zion and the so called Zion tradition in the preaching of Isaiah
