New Testament Introduction Master Reference Collection:

A Case for Mixed-audience with Reference to the Warning Passages in the Book of Hebrews C. Adrian Thomas, 2008 A Case for Mixed Audience with Reference to the Warning Passages in the Book of Hebrews discusses the nature of the warnings in Hebrews and how these warnings relate to the theological question of the eternal security of believers The main argument is that these warnings are intended to target a particular segment of the author's community about whose appropriation of and subsequent attitude toward the Christian message he was deeply concerned That is to say while the book of Hebrews is addressed as a message of encouragement to the community as a whole its warnings are aimed at a certain element in the community whose salvation is threatened by a possible dangerous course of action The book implies that while the author is persuaded that the majority in the community are genuine believers there are some about whose salvation he doubts hence the case for a mixed audience What is threatened therefore is not a salvation already possessed but the salvation of those in danger of coming up short Theologically the work falls within the sphere of the Calvinistic Arminian debate regarding the assurance of salvation and the perseverance of the saints It argues strongly for the Calvinistic position but does so within the confines of the discipline of biblical studies and lends extensive exegetical support to the Calvinistic position on the warning passages The book is highly recommended for Bible College and seminary students and professors as well as pastors and lay leaders who must give answers to their parishoners on those tough warning passages in Hebrews *Journal of Greco-Roman Christianity and Judaism, Volume 14* Stanley E. Porter, Matthew Brook O'Donnell, Wendy J. Porter, 2019-06-25 Volume 14 2018 This is the fourteenth volume of the hard copy edition of a journal that has been published online www.jgrchj.net since 2000 As they appear the hard copy editions replace the online materials The scope of JGRChJ is the texts language and cultures of the Greco Roman world of early Christianity and Judaism The papers published in JGRChJ are designed to pay special attention to the larger picture of politics culture religion and language engaging as well with modern theoretical approaches *Paul and Pseudepigraphy* Stanley E. Porter, Gregory P. Fewster, 2013-09-05 In *Paul and Pseudepigraphy* an international group of scholars engage open questions in the study of the Apostle Paul and those documents often deemed pseudepigraphal This volume addresses many traditional questions including those of method and the authenticity of several canonical Pauline letters but they also reflect a desire to think in new ways about persistent questions surrounding pseudepigraphy The focus on pseudepigraphy in relationship to Paul affords a unique opportunity to address this innovative inclination not readily available in studies of New Testament pseudepigraphy in general Regarding these concerns new approaches are introduced traditional evidence is reassessed and some new suggestions are offered In addition to Pauline letters treatments of related non canonical Pauline pseudepigraphs are included in discussion **Charts on the Book of Hebrews** Herbert W. Bateman, IV, Herbert W. Bateman, 2012 *Hebrews, the General Letters, and Revelation* Charles B. Puskas, 2016-10-28 Most New Testament NT introductions

because of page limitations and other reasons tend to minimize their treatment of the last nine books of the Christian Bible from Hebrews to Revelation. The focus in these introductions is often on the four Gospels and the Letters of Paul. As important as these books are, one should not neglect with only a brief survey the treatment of Hebrews, the General Letters, and the book of Revelation. The title given later to the collection, Catholic Epistles or General Letters, is a reminder of its general appeal to the whole church despite its slow canonical recognition and authorship issues. Nevertheless, these writings from Hebrews to Revelation continue to capture our attention and ignite our imagination. My purpose for this book is to supplement my NT introduction and others like it with a focus on specific questions about each book from Hebrews to Revelation: When and why was each book written? By whom and to whom was each book written? What are some special features of each book? How soon or late was each book included in the NT collection? Answers to many of these questions are tentative. The assured results of scholarship are in continual need of reevaluation. Since the 1980s, a host of diverse studies have emerged, and I have endeavored to include them when they are relevant to the discussion.

[Collecting Early Christian Letters](#)
 Bronwen Neil, Pauline Allen, 2015-02-19
 Letter collections in late antiquity give witness to the flourishing of letter writing with the development of the mostly formulaic exchanges between elites of the Graeco-Roman world to a more wide-ranging correspondence by bishops and monks as well as emperors and Gothic kings. The contributors to this volume study individual collections from the first to sixth centuries CE, ranging from the Pauline and Deutero-Pauline letters through monastic letters from Egypt, bishops' letter collections, and early papal collections compiled for various purposes. This is the first multi-authored study of New Testament and late antique letter collections, crossing the traditional divide between these disciplines by focusing on Latin, Greek, Coptic, and Syriac epistolary sources. It draws together leading scholars in the field of late antique epistolography from Australasia, Sweden, the United Kingdom, and the United States.

The Book that Conquered Time
 Rob Suggs, 2023-11-07
 Everyone is familiar with the Bible; after all, it's still the best-selling book in the world. But just exactly how did we get the collection of sixty-six books that make up God's Word? *The Book that Conquered Time: How the Bible Came to Be* tells the sometimes dramatic, always fascinating, and ultimately faith-building story of the Bible. It traces its history from ancient parchments to the modern work of translating the Word into everyday language. You will discover the differences and similarities between the Jewish holy books and the Christian Bible. How the New Testament writings were copied and

collected including the apocryphal gospels and letters The church leaders who succeeded the apostles what they wrote and what they thought of the writings they inherited The church councils controversies and disputes that boiled over in the 300s Why certain writings were removed from the Bible even though they might be helpful if not essential for our faith The purposes of modern Bible translations and the differences between them The Book that Conquered Time provides fresh insights on why the Bible continues to be the most powerful book of all time Does It Matter Who Wrote the Bible? David B. Capes, 2025-05-20 Students in seminary or graduate theology programs learn that some books in the Bible are anonymous Their professors will make the point that many Pauline letters have disputed authorship and may in fact not be written by Paul Students will also learn about the practice of pseudonymity in the world of the Bible and how some Gospels or letters are written under a false name Now for those who become pastors or church leaders what are they to do with what they learn Do they teach their congregants about these authorship questions Do they ignore that part of their training as irrelevant to the task Do they avoid teaching or reading publicly from disputed books Do these questions not matter in the end because the church settled on the canon This book aims to address these pastoral challenges An international group of scholars from universities seminaries and graduate theology programs convened to discuss these matters at the Lanier Theological Library in May 2022 These essays represent how many faculty are wrestling with the pastoral implications of anonymity and pseudonymity in the New Testament *They Who Endure to the End* Everett Berry, 2020-07-30 Is it possible for a true believer in Christ to apostatize If so how Also how can professing believers know if they are truly born again What assurance can they have that they will never renounce their faith These questions have been asked for centuries as Christians have wrestled with what Scripture says about these matters The search for answers has instilled strong disagreements among Christian traditions In this book we navigate the terrain of this debate by examining the pertinent biblical data surveying the history of major views that have been advocated by various denominations and offering a synthesis of all this material in the hopes that readers can see how Scripture assures believers of their security in Christ
