Glam Rock Simon Philo,2018-10-15 Until recently glam rock has been a mere footnote in popular music history a style over substance lark in an otherwise serious industry Glam Rock Music in Sound and Vision reveals the true story of how glam carved out a place as a diverse musical style and how it related to the artistic political economic emotional sexual and commercial scenes of the late twentieth century Committed to spectacle but also to musical ingenuity glam delivered an exhilarating burst of color that offered a joyful reboot for pop culture a total blam blam Glam swept through Britain to North America in the early 1970s with the foundational stardom of T Rex and David Bowie offering an alternative to the established rock and pop styles that had started to bore a segment of young listeners As Alice Cooper and KISS filled concert arenas British acts as diverse as the Rolling Stones Elton John and Queen consciously adopted glam s flair for drama Refreshing and reinvigorating glam influenced later musical movements and moments from glitterfunk to punk from new wave to new romanticism and from hair metal to the synth pop of self conscious changelings like Marilyn Manson and Lady Gaga In Simon Philo s engaging history glam finally gets the spotlight it deserves As an essential force in the history of popular music glam offers a prism through which to explore 70s pop culture in all its glitter and charm **История тела. 2640 фактов**

Стивен Джуан,2014 **Captain Fantastic** Tom Doyle,2017-03-21 The true story of Elton John s meteoric rise from obscurity to worldwide celebrity in the weird wild 1970s based on rare one on one interviews with the Rocket Man himself now the subject of a major motion picture In August 1970 Elton John achieved overnight fame with a rousing performance at the Troubadour in Los Angeles Over the next five years the artist formerly known as Reginald Dwight went from unheard of to unstoppable scoring seven consecutive 1 albums and sixteen Top Ten singles in America By the middle of the decade he was solely responsible for 2 percent of global record sales One in fifty albums sold in the world bore his name Elton John s live shows became raucous theatrical extravaganzas attended by all the glitterati of the era But beneath the spangled

bodysuits and oversized eyeglasses Elton was a desperately shy man conflicted about his success his sexuality and his narcotic indulgences In 1975 at the height of his fame he attempted suicide After coming out as bisexual in a controversial Rolling Stone interview that nearly wrecked his career and announcing his retirement from live performance in 1977 at the age of thirty he gradually found his way back to the thing he cared about most the music Captain Fantastic gives readers a behind the scenes look at the rise fall and return to glory of one of the world s most mercurial performers Rock journalist Tom Doyle s insider account of the Rocket Man s turbulent ascent is based on a series of one on one interviews in which Elton laid bare many previously unrevealed details of his early career Here is an intimate exploration of Elton s working relationship with songwriting partner Bernie Taupin whose lyrics often chronicled the ups and downs of their life together in the spotlight Through these pages pass a parade of legends whose paths crossed with Elton s during the decade including John Lennon Bob Dylan Groucho Marx Katharine Hepburn Princess Margaret Elvis Presley and an acid damaged Brian Wilson A fascinating portrait of the artist at the apex of his celebrity Captain Fantastic takes us on a rollicking fame and drug fueled ride aboard Elton John s rocket ship to superstardom Praise for Captain Fantastic Veteran rock journalist Tom Doyle continues his foray into the 1970s music scene with a compelling profile of an unlikely rock star In chronicling Elton John s stratospheric rise to fame replete with platinum records increasingly outlandish stage shows and mountains of cash the author deftly manages to keep his subject in sharp focus Based on hours of one on one interviews with Captain Fantastic himself this breezy yet comprehensive biography demonstrates what it was like for the talented musician to churn out an impossible string of hit records A great way to better understand the man behind the garish glasses and platform boots Kirkus Reviews In this adoring and candid set of fan s notes music journalist Doyle Man on the Run draws on interviews with John and his colleagues especially his writing partner Bernie Taupin to capture the meteoric rise and fall of the man who released at least one album every year of the 1970s This energetic book makes a convincing case that John reached his peak and made his best music in the 70s Publishers Weekly A breezy and surprisingly poignant romp through a decade and a career that effectively invented modern celebrity culture Peter Doggett author of You Never Give Me Your Money The Beatles After the Breakup [Official Gazette of the United States Patent and Trademark Office](#) ,2007 [Encyclopedia of Music in the 20th Century](#) Lol Henderson, Lee Stacey, 2014-01-27 The Encyclopedia of Music in the 20th Century is an alphabetically arranged encyclopedia of all aspects of music in various parts of the world during the 20th century It covers the major musical styles concert music jazz pop rock etc and such key genres as opera orchestral music be bop blues country etc Articles on individuals provide biographical information on their life and works and explore the contribution each has made in the field Illustrated and fully cross referenced the Encyclopedia of Music in the 20th Century also provides Suggested Listening and Further Reading information A good first point of reference for students librarians and music scholars as well as for the general reader **Professor Lundy's Guide to Rock Music Connoisseurship** Duane Emerson
