News Now Visual Storytelling In The Digital Age:

News Now Susan Green, Mark Lodato, B. William Silcock, Carol Schwalbe, 2016-01-08 Debuting in its first edition *News Now Visual Storytelling in the Digital Age* helps today's broadcast journalism students prepare for a mobile interactive and highly competitive workplace. The authors, all faculty members of the prestigious Cronkite School of Journalism and Mass Communication, bring their real-world expertise to a book designed to be a trusted reference for the next generation of broadcast journalists. **NEWS NOW**, 2020 **Social Media Communication** Jeremy Harris Lipschultz, 2023-07-18 This updated fourth edition presents a wide-scale interdisciplinary guide to social media communication. Examining platforms like Facebook, Instagram, Snapchat, TikTok, Twitter, and YouTube, the book analyzes social media's use in journalism, public relations, advertising, and marketing. Lipschultz focuses on key concepts, best practices, data analyses, law, and ethics, all promoting the critical thinking that is needed to use new, evolving, and maturing networking tools effectively within social and mobile media spaces. Featuring historical markers and contemporary case studies, essays from some of the industry's leading social media innovators, and a comprehensive glossary, this practical multipurpose textbook gives readers the resources they will need to both evaluate and utilize current and future forms of social media communication. Updates to the fourth edition include expanded discussion of disinformation, the impact of artificial intelligence, AI, natural language, chatbots, virtual and augmented reality technologies, and the COVID-19 infodemic. *Social Media Communication* is the perfect social media primer for students and professionals and, with a dedicated online teaching guide, ideal for instructors too. **Photojournalism and Citizen Journalism** Stuart Allan, 2017-06-26 This volume brings together leading researchers concerned with ordinary citizens' contributions to photojournalism, particularly where capturing images of breaking news events is crucial to reportage. It offers an evaluation of how photojournalism is evolving in digital contexts, examining how today's emergent forms of cooperation, collaboration, and connectivity between professional and amateur news photographers promise to improve photojournalism for tomorrow. This book was originally published as two special issues in *Digital Journalism* and *Journalism Practice*. *Palgrave Handbook of Science and Health Journalism* Kim Walsh-Childers, Merryn McKinnon, 2024-04-01 This handbook reviews the extant literature on the most important issues in health and science journalism, with a focus on summarizing the relevant research and identifying key questions that are yet to be answered. It explores challenges and best practices in health and science reporting, formats, and audiences, key topics such as climate change, pandemics, and space science, and the ethics and political impacts of science and health journalism practice. With numerous international contributions, it provides a comprehensive overview of an emerging area of journalism studies and science communication. **The Unfolding Story: A Chronicle of News and Events** Pasquale De Marco, 2025-07-19 In a world awash with information, *The Unfolding Story: A Chronicle of News and Events* emerges as an indispensable guide to understanding the ever-evolving landscape of news and its profound impact on society. This comprehensive volume takes readers on a

captivating journey through the annals of news history from its humble beginnings to its current multifaceted landscape. Delve into the fascinating evolution of news broadcasting, witnessing the rise of iconic journalists and personalities who revolutionized the way we consume information. Explore the challenges and triumphs they faced as they navigated the ever-changing landscape of news, pushing boundaries and setting new standards for journalistic excellence. Relive major news events that have shaped the course of history, from wars and conflicts that tested the limits of human resilience to moments of triumph and tragedy that brought nations together. Uncover the art of interviewing, a cornerstone of modern journalism, and learn the techniques and strategies employed by skilled interviewers to elicit revealing insights from their subjects. Explore unforgettable interviews that made history, turning ordinary individuals into household names and shaping public opinion in profound ways. Understand the challenges and ethical considerations that accompany the interview process, ensuring accuracy and protecting the integrity of both the interviewer and the interviewee. Discover the impact of the digital revolution on news consumption and the rise of online news and social media platforms. Witness the democratization of information as citizen journalism and user-generated content challenge traditional news outlets. Examine the changing dynamics of news reporting in the digital age, including the proliferation of news sources, the prevalence of fake news and misinformation, and the importance of media literacy in a world saturated with information. Join us as we delve into the complex relationship between news and society, examining how news shapes public discourse, influences political and social movements, and impacts cultural trends. Discover the ethical responsibilities of news organizations and the challenges they face in maintaining objectivity and avoiding bias. Explore the role of news in shaping our understanding of the world around us and the enduring legacy it leaves on society.

The Unfolding Story: A Chronicle of News and Events is an essential resource for anyone seeking to understand the intricate world of news and its profound influence on our lives.
