
NHA CEHRS Final practice test review Questions (repeated review questions from NHA study guide) Solved 100% Correct!!

how does the registration process begin in an outpatient setting? Answer- when a new patient calls the office for an appointment to see a provider.

what does a front staff member do once they obtain information from a new patient? Answer- they create an account that includes the patient's identity, medical condition, and insurance/payment info.

what does a front staff member do once they obtain information from an established patient? Answer- the staff member searches for the patient record by using demographic data

once the data is verified, followed by a review and update of the patient's insurance or third party payer, and the guarantor on the account.

what happens once the financial data is verified? Answer- the patient is given a NPP, and other documents like an advance directive and assignment of benefit forms.

what is a notice of privacy practices (NPP) form? Answer- a document that is required by law to inform a patient how an organization will use their health care information.

what is an advance directive? Answer- a legal document that contains information about a patient's treatment choices when they are unable to make health care decisions.

what is an assignment of benefits form? Answer- a patient's authorization to allow health insurance payment to be made directly to the provider of service.

how are patients registered in an ambulatory setting? Answer- the patient info is used to generate wristbands, which are used for identification and can display health info.

what are color coded wristbands? Answer- they are used to alert providers of allergies, blood type, or DNR.
